2. SETUP AND FIRST USE

Upon receiving your Gucci GG 0882SA sunglasses, inspect them for any visible damage. Before wearing, gently clean the lenses and frame using the provided cleaning cloth.

2.1. Unpacking

1. Carefully remove the sunglasses from their packaging.
2. Locate the protective case and cleaning cloth.

2.2. Initial Cleaning

Use the soft cleaning cloth to wipe the lenses and frame. Avoid using abrasive materials or harsh chemicals, which can damage the lens coatings and frame finish.

3. OPERATING INSTRUCTIONS

These sunglasses are designed for general purpose use to protect your eyes from sunlight. They are not intended for direct observation of the sun, use in a solarium, or as eye protection against mechanical impact hazards.

3.1. Wearing the Sunglasses

1. Hold the sunglasses by the frame, not the lenses, to avoid smudges.
2. Place them gently on your face, ensuring a comfortable fit over your ears and nose bridge.

3.2. Proper Handling

Always use both hands to put on and take off your sunglasses to prevent bending the frame or loosening the hinges.

4. MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your Gucci sunglasses.

4.1. Cleaning

1. For light cleaning, use the provided microfiber cloth to gently wipe lenses and frame.
2. For more thorough cleaning, rinse the sunglasses under lukewarm water. Apply a small drop of mild soap (pH neutral) to the lenses, gently rub with fingertips, then rinse thoroughly.
3. Dry with a clean, soft, lint-free cloth. Do not use paper towels or clothing, as these can scratch the lenses.

4.2. Storage

1. When not in use, always store your sunglasses in their protective case to prevent scratches and damage.
2. Avoid leaving sunglasses in direct sunlight or extreme heat (e.g., on a car dashboard), as this can warp the frame or damage lens coatings.
