COGO 4128

COGO City Construction Building Set 4128 - Instruction Manual

Model: **4128** | Brand: **COGO**

INTRODUCTION

This instruction manual provides detailed guidance for assembling, operating, and maintaining your COGO City Construction Building Set, Model 4128. This set contains 263 pieces designed to enhance motor skills and provide an engaging building experience for users aged 6 years and above. Please read this manual thoroughly before beginning assembly to ensure proper use and safety.

SAFETY INFORMATION

Please observe the following safety precautions:

- **Choking Hazard:** This set contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for all users, especially those under the recommended age of 6.
- **Material Safety:** The building blocks are made from non-toxic plastic. However, do not ingest any parts.
- **Storage:** Store all pieces in a safe place away from extreme temperatures or direct sunlight to prevent material degradation.
- **Cleaning:** Refer to the Maintenance section for proper cleaning instructions. Do not use harsh chemicals.

PACKAGE CONTENTS

Verify that all components are present before starting assembly. The COGO City Construction Building Set 4128 includes:

- 263 assorted building pieces (plastic)
- Instruction booklet (this manual)
- Packaging box (as shown in images)

Image 2: Back view of the COGO City Construction Building Set 4128 packaging box, displaying alternative model configurations and a warning about small parts.

SETUP AND ASSEMBLY

Follow these steps to assemble your COGO City Construction Building Set:

1. **Unpack:** Carefully open the packaging box and remove all 263 building pieces. It is recommended to sort the pieces by color or type to facilitate assembly.
2. **Refer to Diagrams:** The included instruction booklet (this manual) contains step-by-step diagrams for constructing the primary model (the construction truck and associated figures/accessories). Follow these diagrams precisely.
3. **Connect Pieces:** Firmly press the building blocks together to ensure a secure connection. If a piece does not fit easily, do not force it; check the diagram to ensure you are using the correct pieces and orientation.
4. **Build Sub-assemblies:** Many models are built by first creating smaller sub-assemblies (e.g., wheels, cabin, bed of the truck) and then combining them.
5. **Final Check:** Once assembly is complete, ensure all pieces are securely attached and the model is stable.

OPERATING INSTRUCTIONS

The COGO City Construction Building Set is designed for imaginative play. Once assembled, the models can be used in various scenarios:

- **Role-Playing:** Use the construction truck and worker figures to simulate construction site activities.
- **Creative Building:** While the manual provides instructions for a specific model, users are encouraged to use the pieces to create their own unique designs and structures.
- **Motor Skill Development:** The act of assembling and disassembling the blocks helps develop fine motor skills, hand-eye coordination, and problem-solving abilities.

Note: This product does not require batteries or external power sources for operation.

MAINTENANCE

Proper care will extend the life of your building set:

- **Cleaning:** To clean the plastic pieces, wipe them with a damp cloth using mild soap and water. Rinse thoroughly and air dry completely before storing. Do not use abrasive cleaners or solvents.
- **Storage:** Store all pieces in the original box or a dedicated container to prevent loss and damage. Keep away from direct sunlight and high temperatures.
- **Inspection:** Periodically inspect pieces for any signs of wear or damage. Discard any broken or cracked pieces to prevent injury.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Pieces do not fit together.	Incorrect piece or orientation.	Refer to the instruction diagrams to ensure the correct piece is being used and oriented properly. Do not force pieces.
Model is unstable.	Pieces not fully connected.	Press all connected pieces firmly together to ensure a secure fit. Re-check critical connection points.
Missing pieces.	Pieces lost during unpacking or play.	Thoroughly check the packaging and play area. If pieces are genuinely missing from a new set, contact customer support (if applicable).
