COGO 3425 Racing Car Building Blocks Instruction Manual

Model: 3425 | Brand: Cogo

1. INTRODUCTION

This instruction manual provides comprehensive guidance for the assembly, operation, and care of your COGO 3425 Racing Car Building Blocks set. Please read this manual thoroughly before beginning assembly to ensure a correct and enjoyable building experience. This set is designed to enhance motor skills, hand-eye coordination, and imaginative play.

2. PRODUCT OVERVIEW

The COGO 3425 set allows you to construct a racing car model using 195 building pieces. The assembled car features a pull-back mechanism for dynamic play. The set also includes minifigures to complement the racing theme.

3. SAFETY INFORMATION

WARNING: CHOKING HAZARD – Small Parts.

- This product contains small parts and is not suitable for children under 3 years of age.
- Adult supervision is recommended during assembly and play, especially for younger children.
- Keep all packaging materials away from children to prevent suffocation.
- Ensure all pieces are securely connected during assembly to prevent detachment and potential choking hazards.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Follow the step-by-step pictorial instructions provided within the product packaging to assemble your COGO 3425 Racing Car. The assembly process typically involves:

1. **Unpacking:** Carefully open the box and remove all building block bags and the instruction booklet.
2. **Sorting:** It is recommended to sort the pieces by color or type before beginning assembly to simplify the process.
3. **Following Instructions:** Refer to the included instruction booklet for detailed, visual steps on how to connect each piece. Pay close attention to the orientation and placement of each block.
4. **Minifigure Assembly:** Assemble any included minifigures according to their specific instructions.
5. **Verification:** After completing the assembly, double-check that all connections are firm and that the model matches the images in the instruction booklet.

If you encounter any difficulties, review the previous steps or consult the instruction booklet again.

5. OPERATING INSTRUCTIONS (PULL-BACK FUNCTION)

The COGO 3425 Racing Car features a pull-back motor for dynamic play. To operate:

1. Place the assembled racing car on a smooth, flat surface.
2. Gently pull the car backward along the surface. You will feel resistance as the internal mechanism winds up.
3. Release the car. It will propel forward on its own.
4. Avoid pulling the car back excessively or forcing the wheels, as this may damage the pull-back mechanism.

6. MAINTENANCE

To ensure the longevity of your COGO 3425 Building Blocks set:

- **Cleaning:** Wipe the blocks with a soft, damp cloth if they become dirty. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled blocks in a clean, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.

7. TROUBLESHOOTING

If you encounter issues during assembly or play:

- **Missing Pieces:** Carefully check all packaging and the surrounding area. If a piece is genuinely missing, contact the manufacturer's customer support.
- **Assembly Difficulties:** Re-examine the instruction booklet for the specific step. Sometimes a piece may be oriented incorrectly or a previous step might have been missed.
- **Pull-Back Mechanism Not Working:** Ensure the wheels are free to move and not obstructed by other blocks. Avoid over-winding the mechanism.
