Cleaning

To clean your building blocks, gently wipe them with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or hot water, as these can damage the plastic or fade the colors. Ensure blocks are completely dry before storing.

Storage

Store the building blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration. Keeping them in their original box or a dedicated storage container will help prevent loss of

pieces.

6. TROUBLESHOOTING

- **Missing Pieces:** If you discover any missing pieces, carefully review the package contents and the instruction booklet. If pieces are still missing, please contact COGO customer support for assistance.
- **Difficulty Assembling:** If you encounter difficulty connecting blocks or following a step, re-examine the instruction booklet for that specific step. Ensure you are using the correct pieces and that they are oriented correctly. Sometimes, a firm press is needed to secure connections.
