### 3. SETUP INSTRUCTIONS

The playset requires assembly. Please refer to the separate leaflet/manual included in the packaging for detailed step-by-step assembly instructions. Ensure all pieces are securely connected before play.

### 4. OPERATING INSTRUCTIONS

#### 4.1. Space Station Workstation

The space station opens to reveal a workstation. Place the Barbie explorer doll in the chair at the workstation. Arrange the accessories such as the laptop, microscope, and test tubes on the desk for various scientific experiments.

Figure 3: Barbie explorer doll at the space station workstation.

#### 4.2. Rotating Space Scenes

To change the view outside the space station window, rotate the star pattern thumbwheel. This action switches between different space scenes, enhancing the imaginative play experience.

Turn satellite to switch between 2 space "scenes."
