SAFETY INFORMATION

WARNING: Not suitable for children under 36 months. Small parts. This product contains a clock or button size battery. If swallowed, watch or button batteries could cause internal chemical burns in just two hours and lead to death. Discard used batteries immediately. Keep children away from new and used batteries. Contact a doctor immediately if you suspect that the batteries have been swallowed or inserted anywhere on the body.

Always supervise children during assembly and play. Ensure all small parts are kept out of reach of young children to prevent choking hazards.

WHAT'S IN THE BOX

Your Mega Construx Pokémon Jumbo Poké Ball Construction Set includes:

- 303 building bricks and pieces
- 1 special light piece

- 1 display stand
- Instruction manual (this document)

SETUP AND ASSEMBLY

Follow these steps to assemble your Jumbo Poké Ball:

1. **Unpack Components:** Carefully remove all pieces from the packaging. Organize them by color and shape to facilitate assembly.
2. **Review Instructions:** Familiarize yourself with the included visual assembly guide. Each bag of pieces is typically labeled and corresponds to specific steps in the manual.
3. **Begin Assembly:** Start building from the base as indicated in the instructions. Connect pieces firmly to ensure a stable structure.
4. **Integrate Light Piece:** During assembly, you will encounter the special light piece. Follow the instructions precisely to install it in its designated location within the Poké Ball. Ensure batteries (3 LR44 batteries, not included) are correctly inserted into the light module before sealing it.
5. **Complete Construction:** Continue building layer by layer, following the step-by-step diagrams until the Poké Ball is fully formed.
6. **Attach to Stand:** Once assembled, securely place the completed Poké Ball onto its display stand.

OPERATING INSTRUCTIONS

The Mega Construx Pokémon Jumbo Poké Ball features an illuminated center button. To activate the light effects:

- **Power On/Off:** Press the clear button located at the center of the Poké Ball. The light will illuminate.
- **Light Modes:** Subsequent presses of the button may cycle through different light effects, such as pulsating or blinking, if available. Refer to the specific assembly guide for detailed light mode functionality.
- **Battery Replacement:** When the light dims or stops working, it's time to replace the batteries. The Poké Ball requires 3 LR44 batteries. Access the battery compartment as shown in the assembly guide, typically located near the light piece. Ensure correct polarity when inserting new batteries.

MAINTENANCE

To ensure the longevity of your Mega Construx Pokémon Jumbo Poké Ball:

- **Cleaning:** Wipe the assembled model with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture, especially near the light module. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the Poké Ball in a cool, dry place away from direct sunlight and extreme temperatures. If storing for an extended period, consider removing the batteries from the light module to prevent leakage.
- **Handling:** Handle the model with care to prevent pieces from detaching. While designed for durability,

excessive force can cause damage.

TROUBLESHOOTING

If you encounter issues with your Jumbo Poké Ball, refer to the following common problems and solutions:

- **Light Not Working:**
 - Ensure batteries (3 LR44) are correctly installed with proper polarity.
 - Replace old batteries with new ones.
 - Check if the light module is securely connected within the assembly.
- **Pieces Not Fitting/Missing:**
 - Double-check the assembly instructions to ensure you are using the correct pieces for each step.
 - Verify all bags were opened and checked for pieces.
 - If pieces are genuinely missing or defective, contact Mega Brands customer support for assistance.
- **Model is Unstable:**
 - Ensure all connections are pressed firmly together.
 - Re-examine the base and lower layers of the assembly for any loose or incorrectly placed pieces.

SPECIFICATIONS

Product Dimensions	5 x 5 x 5.25 inches (12.7 x 12.7 x 13.3 cm)
Item Weight	1.18 pounds (0.54 kg)
Model Number	HBF53
ASIN	B08WKJRK6K
Manufacturer Recommended Age	6 years and up
Batteries Required	3 LR44 batteries (for light feature)
Number of Pieces	303
