NEDIS WIFIPO110FBK

Nedis WIFIPO110FBK IP44 SmartLife Smart Plug User Manual

Model: WIFIPO110FBK | Brand: NEDIS

1. INTRODUCTION

The Nedis WIFIPO110FBK IP44 SmartLife Smart Plug allows you to remotely control electrical appliances using your smartphone or tablet. This device integrates seamlessly into your SmartLife ecosystem, enabling smart scenarios and convenient control of your connected devices. Its IP44 rating ensures suitability for outdoor use, providing protection against splashing water and solid objects larger than 1mm.

2. PACKAGE CONTENTS

- 1 x Nedis WIFIPO110FBK IP44 SmartLife Smart Plug
- User Manual (this document)

3. PRODUCT OVERVIEW

Familiarize yourself with the components of your Smart Plug.

Figure 3.1: Side view of the Smart Plug, highlighting the manual power button.

Figure 3.2: The Smart Plug with its protective cover open, showing the internal socket designed for outdoor use.

4. SETUP INSTRUCTIONS

4.1 Physical Installation

1. **Unpack:** Carefully remove the Smart Plug from its packaging.
2. **Plug In:** Insert the Smart Plug into a standard electrical outlet. Ensure the outlet is suitable for outdoor use if the plug is used outdoors.
3. **Connect Appliance:** Plug the electrical appliance you wish to control into the Smart Plug's socket.

Figure 4.1: Illustrates an appliance plug being inserted into the Smart Plug, ready for use.

4.2 App Installation and Pairing

The Nedis SmartLife Smart Plug operates with the SmartLife application. Follow these steps to connect your device:

1. **Download App:** Download the "Nedis SmartLife" app from your smartphone's app store (available for iOS and Android).
2. **Register/Login:** Open the app and register for a new account or log in with an existing one.
3. **Add Device:** In the app, tap the "+" icon (or similar) to add a new device. Select "Electrical Outlet" or "Smart Plug" from the device list.
4. **Wi-Fi Connection:** Follow the on-screen instructions to connect the Smart Plug to your Wi-Fi network. Ensure your Wi-Fi network is 2.4 GHz, as 5 GHz networks are typically not supported by smart home devices.
5. **Confirmation:** Once successfully paired, the device will appear in your app, ready for control.

Note: The Smart Plug is designed for plug-and-play functionality, connecting directly to your Wi-Fi network without requiring a separate hub.

5. OPERATING INSTRUCTIONS

5.1 Remote Control via App

- **On/Off Control:** Open the Nedis SmartLife app, select your Smart Plug, and tap the power icon to switch the connected appliance on or off.
- **Scheduling:** Use the app's scheduling feature to set specific times for the plug to turn on or off automatically.
- **Timers:** Set countdown timers for temporary operation.
- **Smart Scenarios:** Create custom scenarios within the app to automate actions based on conditions like time of day, weather, or other SmartLife devices. For example, turn on outdoor lights at sunset.

5.2 Manual Control

The Smart Plug features a physical button for manual operation:

- **Power Button:** Press the button located on the side of the Smart Plug to manually toggle the power to the connected appliance.

6. MAINTENANCE

- **Cleaning:** Disconnect the Smart Plug from the power outlet before cleaning. Wipe the exterior with a soft, dry

cloth. Do not use harsh chemicals or abrasive cleaners.

- **Environmental Protection:** The IP44 rating provides protection against splashing water and dust. Ensure the protective cover is securely closed when not in use, especially in outdoor environments, to maintain its weather resistance.
- **Storage:** Store the device in a cool, dry place when not in use for extended periods.

7. TROUBLESHOOTING

| Problem	Possible Cause	Solution
Device not connecting to Wi-Fi.	Incorrect Wi-Fi password; 5 GHz network used; device too far from router.	- Verify Wi-Fi password. - Ensure you are connecting to a 2.4 GHz Wi-Fi network. - Move the Smart Plug closer to your Wi-Fi router. - Reset the Smart Plug and try pairing again.
Appliance not turning on/off.	Smart Plug is off; appliance is faulty; power outage.	- Check the Smart Plug's status in the app or press the manual button. - Test the appliance by plugging it directly into a working outlet. - Verify power supply to the outlet.
Smart Plug unresponsive.	Temporary glitch; network issue.	- Unplug the Smart Plug for 10 seconds, then plug it back in. - Restart your Wi-Fi router. - If issues persist, perform a factory reset (refer to app instructions for specific reset procedure).
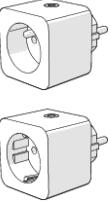

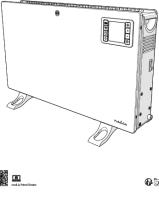

8. SPECIFICATIONS

Feature	Detail
Model Number	WIFIPO110FBK
Brand	NEDIS
Protection Rating	IP44 (Weatherproof)
Connectivity	Wi-Fi (2.4 GHz)
Dimensions	11 x 15 x 6.5 cm
Weight	170 g
Color	Black
Manufacturer	Nedis
