

## STREETZ TWS-105

# STREETZ TWS-105 Stereo Bluetooth Headphones User Manual

Model: TWS-105 | Brand: STREETZ

## 1. INTRODUCTION

---

Thank you for choosing the STREETZ TWS-105 Stereo Bluetooth Headphones. These in-ear wireless earbuds are designed to provide a comfortable audio experience with stable Bluetooth 5.0 connectivity and a built-in microphone for hands-free communication. This manual will guide you through the setup, operation, and maintenance of your new headphones.

## 2. PACKAGE CONTENTS

---

Please check the box for the following items:

- 2 x Earphones (Right, Left)
- 1 x Quick Charging Case
- 1 x Micro USB Charging Cable
- 1 x User Manual

## 3. PRODUCT OVERVIEW

---

The STREETZ TWS-105 headphones consist of two wireless earbuds and a portable charging case. The case not only protects the earbuds but also charges them on the go.

## 4. SETUP AND FIRST USE

---

## 4.1 Charging the Case and Earbuds

Before first use, fully charge the charging case and earbuds.

1. Place both earbuds into the charging case. Ensure they are correctly seated in their respective slots (L for left, R for right).
2. Connect the micro USB charging cable to the charging port on the case and the other end to a USB power source (e.g., wall adapter, computer USB port).
3. The indicator lights on the case will show charging status. Once fully charged, the lights may turn solid or turn off, depending on the model.
4. The earbuds will charge automatically when placed in the case, provided the case has power.

## 4.2 Pairing with a Device

To connect your STREETZ TWS-105 headphones to your smartphone or other Bluetooth-enabled device:

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode. You may see indicator lights flashing on the earbuds.
3. On your device, go to Bluetooth settings and turn Bluetooth on.
4. Search for new devices. You should see "STREETZ TWS-105" or a similar name appear in the list of available devices.
5. Select "STREETZ TWS-105" to connect. Once connected, the earbuds will indicate successful pairing (e.g., a voice prompt or steady light).
6. After initial pairing, the earbuds will automatically connect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

## 5. OPERATING INSTRUCTIONS

---

The STREETZ TWS-105 headphones feature touch controls for easy management of music and calls.

### 5.1 Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on. Alternatively, press and hold the touch area on both earbuds for approximately 3 seconds.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off. Alternatively, press and hold the touch area on both earbuds for approximately 5 seconds.

### 5.2 Music Playback

- **Play/Pause:** Tap the touch area on either earbud once.
- **Next Track:** Double-tap the touch area on the right earbud.
- **Previous Track:** Double-tap the touch area on the left earbud.
- **Volume Up:** Triple-tap the touch area on the right earbud.
- **Volume Down:** Triple-tap the touch area on the left earbud.

### 5.3 Call Management

With the built-in microphone, you can manage calls directly from your earbuds.

- **Answer/End Call:** Tap the touch area on either earbud once during an incoming call.
- **Reject Call:** Press and hold the touch area on either earbud for approximately 2 seconds during an incoming call.
- **Activate Voice Assistant:** Press and hold the touch area on either earbud for approximately 2 seconds (when not on a call).

## 6. MAINTENANCE AND CARE

---

To ensure the longevity and optimal performance of your STREETZ TWS-105 headphones, follow these care instructions:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials. Gently clean the charging contacts on both the earbuds and the case.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them from dust, dirt, and physical damage.
- **Temperature:** Avoid exposing the headphones to extreme temperatures (hot or cold) or high humidity.
- **Water Resistance:** The product is water resistant. However, avoid submerging them in water or exposing them to heavy rain. Dry them thoroughly if they get wet.
- **Charging:** Use only the provided micro USB cable or a certified equivalent for charging.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your STREETZ TWS-105 headphones, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Earbuds not pairing with device or losing connection frequently.	Out of range, low battery, interference, or pairing issue.	Ensure earbuds are charged. Move closer to your device. Turn off and on Bluetooth on your device. Forget the device in Bluetooth settings and re-pair. Avoid strong Wi-Fi signals or other Bluetooth devices nearby.
Only one earbud is working.	One earbud not charged, not paired correctly, or not connected to the other.	Place both earbuds back into the charging case, close the lid, then open it again. Ensure both are charged. Re-pair the earbuds with your device.
Earbuds not charging in the case.	Poor contact, case battery low, or faulty cable.	Ensure earbuds are correctly seated in the case. Clean the charging contacts on both earbuds and case. Charge the case fully. Try a different micro USB cable.
No sound or low volume.	Volume too low on device/earbuds, not connected, or incorrect audio output selected.	Increase volume on both your device and the earbuds. Ensure earbuds are properly connected. Check your device's audio output settings.
