

## Arozzi AZ-ARENA-MOTO

# Arozzi Arena Moto Gamer Desk (AZ-ARENA-MOTO) Instruction Manual

## PRODUCT OVERVIEW

---

The Arozzi Arena Moto Gamer Desk is a high-performance electric standing desk designed for gamers and professionals. It features a spacious 63x32 inch desktop with electric height adjustment, dual motors for smooth transitions, and robust cable management solutions. The desk is built with a durable steel frame to ensure stability and support multiple monitors.

### Key Features:

- **Electric Sit-Stand Power:** Crafted with quality, this desk measures 160x82 cm (63x32.3in) with electric height adjustment from 73–117 cm (28.7-46.1 inches). Designed for seamless sit-to-stand transitions.
- **Dual-Motor Precision:** Uses dual motors for faster, smoother height changes. Includes programmable presets for consistent ergonomic positioning.
- **Triple-Monitor Ready:** Supports up to 3 large monitors, ideal for gaming, streaming, or work.
- **Pro Cable Organization:** Features 3 cutouts, a tight-fit mesh basket, and integrated routing for clean cable management.
- **Reinforced Electric Frame:** Built with steel legs, crossbar support, and an included headset hanger for stability and functionality.

## Key Components:

*Image: Close-up view highlighting customizable height presets, monitor attachment points, cable management features, and the stable steel frame.*

Ensure all components are present before beginning assembly. Follow the instructions carefully to ensure proper and stable construction of the desk.

## OPERATING INSTRUCTIONS

### Electric Height Adjustment:

The Arozzi Arena Moto Desk features electric height adjustment, allowing you to seamlessly switch between sitting and standing positions. The desk can be adjusted from a minimum height of 28.25 inches

(73 cm) to a maximum height of 46.5 inches (117 cm).

- **Up/Down Buttons:** Use the arrow buttons on the control panel to manually adjust the desk height.
- **Programmable Presets:** The desk includes 3 customizable height presets. To save a preferred height, adjust the desk to the desired level, then press and hold one of the numbered preset buttons (1, 2, or 3) until the display confirms the setting.

### Cable Management:

Maintain a clean and organized workspace with the integrated cable management system. The desk features three strategically placed cutouts on the desktop that lead to a tight-fit mesh basket underneath. This system helps to hide and organize cables, preventing clutter.

### Full-Surface Washable Mousepad:

The desk comes with a full-surface, washable mousepad that covers the entire desktop. This provides a consistent and comfortable surface for your mouse and keyboard. The mousepad is designed for easy maintenance and can be washed as needed.

### Headset Hanger:

An included headset hanger can be attached to either side of the desk, providing convenient storage for your headphones.

### Operation Video:

## MAINTENANCE

---

- **Product Care:** Wipe the desk surfaces with a damp cloth to clean. Avoid harsh chemicals that may damage the finish.
- **Mousepad Care:** The full-surface mousepad is washable. Follow the care instructions on the mousepad for best results.

## TROUBLESHOOTING

---

- **Desk Not Adjusting Height:** Check for any obstructions under or around the desk that might be preventing movement. Ensure all power cables are securely connected to the control unit and a working power outlet.
- **Unstable Desk:** Verify that all assembly screws are tightened properly. Ensure the desk is placed on a level surface.
- **Control Panel Not Responding:** Disconnect the power for 30 seconds and then reconnect to reset the system.

If issues persist, please refer to the comprehensive user manual included with your product or contact Arozzi customer support.
