2. SAFETY INSTRUCTIONS

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Assemble the product on a soft, clean surface to avoid scratching.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload shelves or drawers. Refer to the specifications for weight capacity.
- Avoid placing hot items directly on the surface without protection.
- If the product includes a wall-anchoring kit, it is highly recommended to use it to prevent tipping, especially in households with children.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- All necessary wooden panels (numbered for easy identification)
- Mirror panel
- Hardware kit (screws, dowels, cam locks, etc., typically sorted in numbered bags)
- Assembly instructions (this manual)

4. SETUP (ASSEMBLY)

Assembly typically requires two people. Estimated assembly time is approximately 1-2 hours. Tools required: Phillips head screwdriver, hammer (optional, for dowels).

Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components. Lay them out on a clean, soft surface. Match each wooden panel to its corresponding number in the instruction diagram. Identify all hardware from the numbered bags.
2. **Assemble the Main Frame:** Follow the numerical sequence in the provided diagram to connect the main side panels and support beams. Ensure all cam locks are tightened securely.
3. **Install Drawer Runners:** Attach the drawer runners to the designated side panels using the specified screws.
4. **Assemble the Drawer:** Construct the drawer by connecting its panels. Insert the bottom panel and attach the front panel. Install the drawer handle.
5. **Insert Drawer:** Carefully slide the assembled drawer into its runners.
6. **Attach Side Compartment:** Assemble the side compartment with its door and shelves, then attach it to the main frame.
7. **Mount Mirror and Shelves:** Secure the mirror panel to the back of the table. Attach the small open shelves next to the mirror as shown in the diagram.
8. **Final Checks:** Ensure all connections are tight and the table is stable.

5. OPERATING (USAGE)

The TecTake 403851 Dressing Table is designed for daily use in various settings, including bedrooms, living rooms, or teenager's rooms.

- **Mirror Use:** The large mirror provides ample reflection for applying make-up, styling hair, and performing other grooming tasks. Ensure adequate lighting for optimal visibility.
- **Storage:** Utilize the three open shelves for frequently used items like perfumes, lotions, or decorative pieces. The side compartment with a door offers discreet storage for larger items, while the divided drawer helps organize smaller accessories such as jewelry, brushes, or cosmetics.
- **Multi-functional Design:** The table's linear design allows it to function effectively as a desk when not used as a dressing table, providing a versatile workspace.

6. MAINTENANCE

The TecTake 403851 Dressing Table features a melamine coating, providing an easy-care and scratch-resistant surface. Proper maintenance will ensure its longevity and appearance.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the surface.
- **Protection:** Use coasters or mats under hot items or items that might scratch the surface.
- **Fasteners:** Periodically check all screws and fasteners and re-tighten them if necessary to maintain stability.

7. TROUBLESHOOTING

If you encounter any issues during assembly or use, refer to the following common troubleshooting tips:

- **Parts Don't Fit:** Double-check the part numbers against the assembly diagram. Ensure you are using the correct hardware for each step. Sometimes, parts may appear similar but have subtle differences.
- **Missing Hardware:** Verify all hardware bags have been thoroughly checked. If parts are genuinely missing, contact customer support with the specific part numbers required.
- **Table is Wobbly:** Ensure all screws and cam locks are fully tightened. Check that the table is on a level surface. If applicable, adjust any leveling feet.
- **Drawer Does Not Slide Smoothly:** Ensure drawer runners are correctly installed and aligned. Check for any obstructions in the runners.
- **Mirror Appears Crooked or Unstable:** Re-check the mirror's attachment points. Ensure all fasteners are secure and the supporting panel is correctly aligned.
- **Chipped or Damaged Parts:** If parts arrived damaged, contact customer support immediately for replacement.
