GoodHome B08WTJYS2

GoodHome Customizable Sofa Instruction Manual

Model: B08WTJYS2

1. Important Safety Information

Please read all instructions carefully before assembling and using your GoodHome Customizable Sofa. Keep this manual for future reference.

- Ensure all components are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assembly should be performed by at least two adults to prevent injury and ensure proper construction.
- Place the sofa on a level, stable surface. Uneven surfaces can cause instability.
- Do not stand on the sofa or use it as a step stool.
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.
- Regularly check all connections and fasteners to ensure they remain tight. Tighten as needed.
- Avoid exposing the sofa to direct sunlight or extreme temperatures for prolonged periods, as this may cause fading or material degradation.

2. Package Contents

Before beginning assembly, verify that all parts listed below are included in your package. If any parts are missing or damaged, please contact customer support.

- Sofa Modules (various "C Types" as ordered)
- Connecting Brackets/Clips
- Legs (if not pre-attached)
- Assembly Hardware (screws, washers, Allen wrench, etc.)
- Instruction Manual (this document)

3. Setup and Assembly

Follow these steps to assemble your GoodHome Customizable Sofa. It is recommended that two people perform the assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Attach Legs (if applicable):** If the legs are not pre-attached, screw them securely into the designated holes on the bottom of each sofa module. Ensure they are tightened firmly but do not overtighten.
3. **Position Modules:** Arrange your sofa modules ("C Types") in your desired configuration. Ensure they are aligned properly.
4. **Connect Modules:** Use the provided connecting brackets or clips to secure the modules together. Typically, these slide into slots on the underside or sides of the modules. Ensure each connection is firm and stable.

5. **Final Check:** Once all modules are connected, gently push and pull on the sofa to ensure all connections are secure and the sofa is stable.

4. Operating and Customization

Your GoodHome Customizable Sofa is designed for flexibility. You can easily reconfigure its layout to suit your needs.

- **Reconfiguring Modules:** To change the sofa's configuration, carefully disconnect the connecting brackets/clips between the modules. Rearrange the modules as desired, then re-secure them using the brackets/clips.
- **Seating:** The sofa is designed for comfortable seating. Avoid excessive force or jumping on the cushions to maintain their shape and integrity.

5. Maintenance and Care

Proper care will extend the life and appearance of your GoodHome Customizable Sofa.

- **Regular Cleaning:** Vacuum the sofa regularly using an upholstery attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, testing on an inconspicuous area first.
- **Cushion Care:** Rotate and fluff cushions periodically to ensure even wear and maintain their shape.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or harsh chemicals, as these can damage the fabric and finish.
- **Sunlight Exposure:** Minimize direct exposure to sunlight to prevent fading of the fabric.

6. Troubleshooting

Here are solutions to common issues you might encounter.

Problem	Possible Cause	Solution
Sofa feels wobbly or unstable.	Loose leg connections or unsecured module connectors.	Check and tighten all leg screws. Ensure all module connecting brackets/clips are fully engaged.
Modules are separating.	Connecting brackets/clips are not properly engaged or are damaged.	Re-engage the connecting brackets/clips. If damaged, contact customer support for replacements.
Cushions appear flattened.	Normal wear and tear; lack of rotation.	Fluff and rotate cushions regularly to restore their shape and ensure even wear.

7. Specifications

Feature	Detail
Brand	GoodHome
Model	Customizable Sofa (ASIN: B08WTJYS2)
Type	Loveseat (Modular)
Style	Contemporary

Feature	Detail
Room Type	Living Room
Seat Height	18 Inches
Arm Style	Armless (Modular design allows for armrest modules if purchased separately)
Is Customizable	Yes
Number of Pieces	1 (Base unit, additional modules sold separately)

8. Warranty and Support

Limited Warranty: GoodHome warrants this product against defects in material and workmanship for a period of one (1) year from the original date of purchase. This warranty does not cover normal wear and tear, damage due to misuse, accident, or unauthorized modifications.
Customer Support: For assistance with assembly, missing parts, or warranty claims, please contact GoodHome customer service. Refer to your purchase documentation for specific contact details or visit the official GoodHome website.
Please retain your proof of purchase for warranty purposes.
