Mario Golf: Super Rush offers a variety of exciting modes to keep your golf game fresh and engaging.

### 3.1 Standard Golf

Play traditional golf rules across various courses. Focus on precision, club selection, and reading the greens to achieve the lowest score.

### 3.2 Speed Golf

In Speed Golf, all players tee off simultaneously and race across the course to be the first to get their ball into the hole. Utilize dashes and special shots to outpace and even interrupt opponents. Strategy and speed are key to victory.

Experience the fast-paced action of Speed Golf, where players race to the hole.

### 3.3 Golf Adventure (Story Mode)

Enroll your Mii character in a prestigious country club and embark on an RPG-like golf adventure. Progress from rookie to pro by facing challenges, earning experience points, and leveling up your character's stats (power, movement, spin, control). Your customized Mii and their stats can be used in other game modes.

Level up your Mii character and improve your skills in Golf Adventure mode.

## 4. CONTROLS

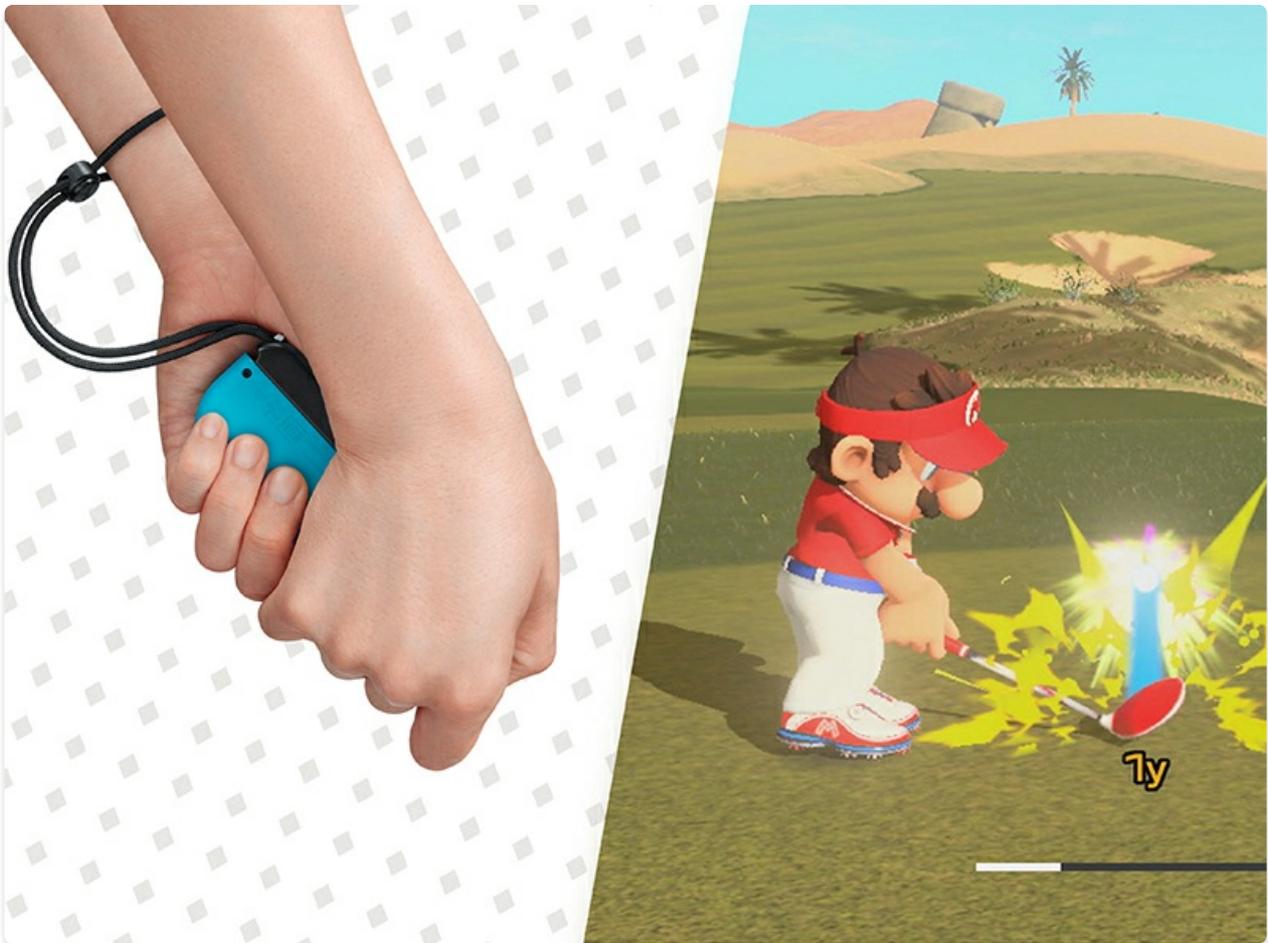

Mario Golf: Super Rush offers flexible control options, allowing you to play with either traditional button inputs or immersive motion controls.

### 4.1 Button Controls
