Safety Information

Warning: Use under the direct supervision of adults. This product is suitable for children aged 18 months and up. Ensure children play in a safe environment and do not put small pieces in their mouths if they are still in the oral exploration phase.

Maintenance

To clean the HABA Dog and Cat Building Blocks, use a warm, damp rag. For a more thorough cleaning, a solution of water with a few drops of vinegar essence can be used. Avoid immersing the blocks in water or using harsh chemical cleaners, as this may affect the water-based finish and potentially cause damage or tackiness. Always ensure the blocks are completely dry before storing them.

Troubleshooting

- **Blocks not stacking easily:** The blocks are polished for a smooth finish. If stacking proves challenging, encourage children to experiment with different base blocks or to build on a stable, flat surface.
- **Minor paint wear:** Over time and with extensive use, minor wear on the paint or glaze may occur. This is typical for wooden toys and does not affect the safety or functionality of the blocks. The finishes are non-toxic and safe.
