## 4. SETUP AND ASSEMBLY

The bworld Police Station features easy-to-mount components for quick setup. Follow these steps to assemble your playset:

1. **Assemble Wall Elements:** Connect the two background elements using the provided adjustable feet. These elements form the main structure of the police station, including the office area.
2. **Install Cell Modules:** Attach the two cell modules to form the cell area. Ensure the cell door operates smoothly. Place the bed platform inside the cell.
3. **Set up Office Furniture:** Position the office desk, chair, and notebook within the office area.
4. **Mount Shelving Unit:** Attach the wall shelving unit to one of the background elements. Place any small accessories on the shelves.
5. **Position Figures and Quad:** Place the police officer and suspect figures in desired locations. The police quad can be positioned outside the station, ready for action.

## 5. OPERATING INSTRUCTIONS

---

The bworld Police Station with Quad offers various interactive play possibilities:

- **Office Operations:** Use the police officer figure at the desk to simulate coordinating missions and tracking activities with the notebook.
- **Cell Area:** The cell area is designed to hold the suspect figure. The cell door can be opened and closed for realistic play scenarios.
- **Police Quad:** The police quad is ready for rapid response. Place the police officer figure on the quad for patrol or pursuit scenarios.
- **Figure Interaction:** The bworld figures are articulated, allowing for various poses and interactions within the playset, such as the police officer apprehending the suspect.
- **Expandability:** This police station can be combined with other Bruder bworld themed sets and Bruder emergency service vehicles (e.g., Land Rover Defender Station Wagon police, item no. 02597, or Jeep Wrangler Rubicon police vehicle, item no. 02526) for extended play.

## 6. MAINTENANCE

To ensure the longevity of your Bruder bworld Police Station with Quad, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the plastic.
- **Storage:** Store the playset in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Inspection:** Periodically check all components for wear or damage. Replace any broken parts to maintain safety and functionality.

## 7. TROUBLESHOOTING

If you encounter any issues with your playset, refer to the following common solutions:

- **Components Detaching:** If wall elements or other parts come apart during play, ensure they are re-attached firmly using the sturdy mounting parts. Verify that all adjustable feet are correctly positioned.
- **Figure Damage:** If a figure experiences damage, such as a detached limb, inspect the connection point. Depending on the extent of the damage, replacement parts may be available, or the figure may need to be replaced.
- **Missing Parts:** If any components were missing from the original package, please contact customer support immediately.
