INTRODUCTION

Welcome to the Grow'n Up Climb N Explore Play Gym, a multi-stage activity center designed for early development. This play gym offers a dynamic environment where children can engage in climbing, sliding, and crawling activities, fostering curiosity and building confidence. Its versatile design allows for seamless integration into both indoor and outdoor settings.

Key Features:

- **Multi-Stage Activity:** Engineered for climbing, sliding, and crawling to spark curiosity and build confidence.
- **Motor Skill Development:** Designed to refine gross motor skills and spatial awareness through various play elements.
- **Safety by Design:** Constructed with high-density, weather-resilient polymers and rounded-edge architecture for a secure play environment.
- **Versatile Use:** Compact yet expansive design suitable for both indoor and outdoor play.
- **Easy Assembly:** Features precision-fit components for quick and straightforward setup.

IMPORTANT SAFETY WARNINGS

WARNING: The toy is to be assembled by an adult. In unassembled state, it contains potentially hazardous small parts, so please keep out of baby's reach.

- Always supervise children during play.
- Ensure the play gym is placed on a soft, level surface, away from hard objects, fences, or other structures.
- Regularly inspect all parts for wear and tear, and replace damaged components immediately.
- Do not allow more than the recommended weight (50 lbs) or number of children on the play gym at one time.
- Keep small children away from the assembly area until the product is fully assembled.

MAINTENANCE

To ensure the longevity and safety of your Grow'n Up Climb N Explore Play Gym, regular maintenance is recommended.

- **Cleaning:** Wipe down all plastic surfaces with a damp cloth and mild soap. Rinse thoroughly with water. Avoid abrasive cleaners that may damage the plastic.
- **Inspection:** Periodically check all screws, bolts, and connections to ensure they are tight and secure. Tighten as needed.
- **Storage:** If storing outdoors, consider covering the play gym during harsh weather conditions to protect the materials.

TROUBLESHOOTING

Should you encounter any issues with your Grow'n Up Climb N Explore Play Gym, please refer to the following common solutions:

- **Loose Parts:** If any parts feel loose, re-tighten all screws and connections according to the assembly instructions.
- **Missing Components:** If you find any components missing during assembly, contact Grow'n Up customer support for assistance.
- **Unstable Structure:** Ensure the play gym is assembled on a flat, level surface. Recheck all connections for proper seating.
