MAINTENANCE AND CARE

- **Cleaning:** Wipe dolls, pets, and accessories with a damp cloth. Do not use harsh chemicals.
- **Storage:** Store all components in the original sparkly packaging or a clean, dry container to prevent loss and damage.
- **Water Play:** After water play, ensure all items are thoroughly dried to prevent mold or mildew.

TROUBLESHOOTING

This product is a collectible toy with straightforward operation. Should you encounter any issues, please review the setup instructions carefully. Most common concerns relate to the unboxing process.

Issue	Solution
Bubbly surprise not fizzing	Ensure sufficient water is added to fully submerge the heart-shaped surprise. Use room temperature water for best results.
Doll/Pet not changing color	Some color change features are activated by specific water temperatures (cold or warm). Experiment with different temperatures.
Missing parts	Carefully check all packaging materials and kinetic sand for small accessories. If parts are genuinely missing, contact customer support.
