COBI Historical Collection R.M.S. Titanic 1:450 Scale Building Block Model Instruction Manual

Model: 1929 | Brand: COBI

1. INTRODUCTION

This manual provides detailed instructions for assembling and maintaining your COBI Historical Collection R.M.S. Titanic 1:450 Scale building block model. Designed for enthusiasts aged 6-13 years, this 720-piece set allows for the construction of a historically accurate replica of the iconic R.M.S. Titanic. Please read all instructions carefully before beginning assembly.

What's in the Box:

- 720 high-quality building blocks
- Instruction Guide
- Display stand with name plate

2. ASSEMBLY INSTRUCTIONS

Follow the step-by-step directions provided in the included Instruction Guide. The manual uses clear drawings and icons to illustrate each stage of construction. It is recommended to organize pieces before starting to ensure a smooth building process.

General Assembly Tips:

- **Review the Manual:** Before starting, familiarize yourself with the entire instruction guide.
- **Sort Pieces:** Separate pieces by color, size, or type to easily locate them during assembly.
- **Follow Steps Sequentially:** Build the model step-by-step as indicated in the manual to avoid errors.
- **Secure Connections:** Ensure all blocks are firmly pressed together for a stable model.
- **Use the Display Stand:** Once assembled, place the model on its dedicated display stand for stability and presentation.

4. CARE AND MAINTENANCE

To ensure the longevity and appearance of your COBI R.M.S. Titanic model, follow these simple care instructions:

- **Cleaning:** Gently dust the model regularly with a soft, dry cloth or a soft-bristled brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration and material degradation.
- **Handling:** Handle the model with care, especially when moving it, to prevent pieces from detaching.

5. TROUBLESHOOTING

If you encounter any issues during assembly or with your completed model, consider the following:

- **Missing Pieces:** Double-check all packaging and the building area. If a piece is genuinely missing, contact COBI customer support.
- **Difficulty Fitting Pieces:** Ensure you are using the correct pieces for the step. Some connections may require firm but gentle pressure. Refer to the instruction guide's illustrations for clarity.
- **Model Instability:** Re-examine recent steps to ensure all connections are secure and pieces are correctly aligned.
