Maintenance

Maintaining your Armen Living Cayman table is simple due to its durable and weather-resistant materials.

- **Routine Cleaning:** Wipe the aluminum frame and tabletop with a soft, damp cloth to remove dust and light dirt.
- **Deeper Cleaning:** For more extensive cleaning, the aluminum frame is waterproof and rust-resistant and can be hosed clean. Ensure to dry thoroughly after hosing.
- **Wicker Shelf:** Clean the wicker shelf with a soft brush or damp cloth. Avoid harsh chemicals that may damage the material.
- **Protection:** While the table is UV and water-resistant, covering it during extreme weather conditions or prolonged periods of non-use can extend its lifespan.
