ICO Bath V401

ICO Bath V401 Volkano Flow Wall Mounted Euro Toilet Paper Holder User Manual

Model: V401 | Brand: ICO Bath

1. PRODUCT OVERVIEW

The ICO Bath V401 Volkano Flow Wall Mounted Euro Toilet Paper Holder is designed to provide a functional and aesthetically pleasing solution for your bathroom. Part of the Volkano Flow series, this holder features smooth, rounded angles and an uncomplicated design, complementing various bathroom styles. It is constructed from durable brass and finished in Brushed Gold Light, offering resistance to rust and corrosion.

2. SAFETY INFORMATION

Please read all instructions carefully before installation and use. Failure to follow these instructions may result in improper installation or damage to the product or property.

- Ensure the mounting surface is structurally sound and capable of supporting the product's weight.
- Use appropriate tools and safety gear during installation.
- Keep small parts and packaging materials away from children.
- If you are unsure about any part of the installation process, consult a qualified professional.

3. PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- ICO Bath V401 Toilet Paper Holder (1)
- Mounting Bracket (1)
- Mounting Screws (2)
- Wall Anchors (2) (if applicable for your wall type)
- Hex Wrench (1) (for set screw)

4. SETUP AND INSTALLATION

Tools Required: Pencil, Measuring Tape, Level, Drill, Drill Bit (appropriate size for anchors), Screwdriver (Phillips head).

1. **Determine Mounting Location:** Choose a suitable location on the wall, ensuring it is level and at a comfortable height for use.
2. **Mark Drill Points:** Hold the mounting bracket against the wall at the desired location. Use a pencil to mark the positions for the two screw holes. Ensure the bracket is level.
3. **Drill Pilot Holes:** Using a drill and the appropriate drill bit, drill pilot holes at the marked locations. If installing into drywall, insert the wall anchors into the pilot holes until flush with the wall surface.
4. **Attach Mounting Bracket:** Align the mounting bracket with the drilled holes. Insert the mounting screws through the bracket and into the wall anchors (or directly into studs if applicable). Tighten the screws securely with a screwdriver.
5. **Secure Toilet Paper Holder:** Place the toilet paper holder onto the mounting bracket. The holder should slide over the bracket. Locate the small set screw on the underside of the toilet paper holder base. Use the provided hex wrench to tighten this set screw, securing the holder firmly to the mounting bracket. Do not overtighten.

5. OPERATING INSTRUCTIONS

To use the ICO Bath V401 Toilet Paper Holder:

1. **Loading a Roll:** Slide a standard toilet paper roll onto the horizontal bar of the holder.
2. **Replacing a Roll:** When the roll is empty, simply slide the cardboard core off the bar and replace it with a new roll.

The open-ended design allows for easy roll changes without the need for a spring-loaded mechanism.

6. MAINTENANCE

To maintain the finish and functionality of your toilet paper holder:

- **Cleaning:** Clean regularly with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the Brushed Gold Light finish.
- **Drying:** After cleaning, dry the surface with a soft, clean cloth to prevent water spots.
- **Inspection:** Periodically check the mounting screws and set screw to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

- **Holder feels loose:**

Check the set screw on the underside of the holder and tighten it with the hex wrench. If the issue persists, the mounting screws securing the bracket to the wall may be loose or the wall anchors may not be secure. Re-evaluate the wall mounting.

- **Finish discoloration or damage:**

Ensure you are using only soft cloths and non-abrasive cleaners. Harsh chemicals can damage the finish. Refer

to the maintenance section for proper cleaning instructions.

8. SPECIFICATIONS

Model Number:	V401
Brand:	ICO Bath
Material:	Brass
Finish/Color:	Brushed Gold Light
Installation Type:	Wall Mounted
Overall Width:	6-1/2 inches (16.5 cm)
Projection (Depth):	2-3/8 inches (6 cm)
