INTRODUCTION

This manual provides instructions for the safe and effective use of Vacplus Automatic Toilet Bowl Cleaner Tablets. These tablets are designed to bleach, descale, and deodorize your toilet bowl with every flush, ensuring long-lasting cleanliness and hygiene.

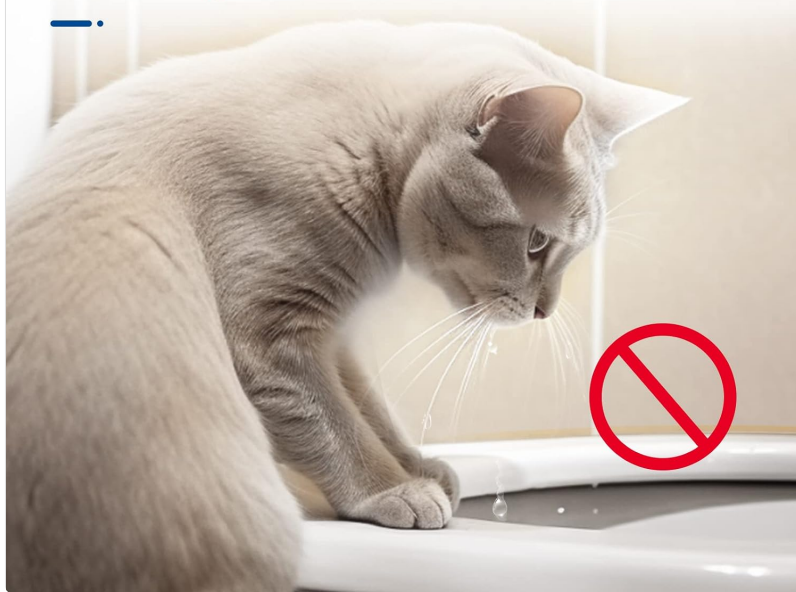

SAFETY INFORMATION

Please read and adhere to the following safety guidelines before using the product:

- **Eye Irritant:** Avoid touching the tablet, breathing in dust, and getting it in your eyes, on your skin, or on your clothing.
- **Wear Gloves:** Use the product with accessory plastic gloves. If touched with eyes or skin, please rinse gently with water for at least 15 minutes, and then ask a physician for help.
- **Not Edible:** Keep out of reach of children and pets. If swallowed, drink as much water as you can or induce vomiting and then contact the poison control center immediately.
- **Ventilation:** Ensure the bathroom is well-ventilated during and after use, especially if a strong bleach smell is present.
- **Do Not Mix:** Do not mix this product with other toilet bowl cleaners for cleaning.

Don't let pets drink the toilet water!

when using the toilet bowl cleaners

Important: Do not allow pets to drink from the toilet bowl when using these cleaner tablets.

INGREDIENTS

The primary active ingredient in Vacplus Automatic Toilet Bowl Cleaner Tablets is Bleach. The tablets are made of neutral, dye-free ingredients.

PRODUCT FEATURES

- **Powerful Bleaching:** Contains powerful bleaching ingredients to efficiently remove stubborn stains such as urine dirt, limescale, and rust with every flush.
- **Sustained-Release Technology:** Each tablet continuously freshens the toilet bowl for at least 15 days, forming a protective film to prevent new stains.
- **User-Friendly Ingredients:** Made of neutral, dye-free ingredients and individually packed for hassle-free use without direct skin contact.
- **Tank & Septic System Friendly:** Comprised of non-irritant ingredients, making them safe for water tanks and septic systems.

How to Use

1. BRUSH

and **FLUSH** the toilet bowl.

The tablets help eliminate foul odors, leaving the toilet fresh. Note: May release mild irritating gas during use – a normal chemical reaction. Use in a well-ventilated area.

Effectively Clean the Toilet Bowl

with carefully-developed formula

Vacplus tablets effectively clean the toilet bowl, tackling tough stains.

BLEACH While Cleaning*

whiten the porcelain surface

* Brush the toilet beforehand for a better effect.

The bleach in the tablets whitens the porcelain surface. For best results, brush the toilet beforehand.

Friendly to Water Tank & Septic System

comprised with non-irritant ingredients

Non-Abrasive

The tablets are non-abrasive and friendly to water tanks and septic systems.

SETUP AND INSTALLATION

Follow these simple steps to install and activate your Vacplus Automatic Toilet Bowl Cleaner Tablet:

1. **Brush and Flush:** Before each use, brush and flush the toilet bowl to ensure it is clean.
2. **Unpack Tablet:** Simply unpack the individual tablet from its plastic packaging.
3. **Drop into Tank:** Drop the bleach toilet bowl cleaner tablet into the water tank. Ensure it is placed away from the water inlet and outlet.
4. **Activate:** Leave the tablet in place for at least 1 hour to fully activate the cleaning effect before the first flush.
5. **Flush:** After activation, flush the toilet as necessary to maintain cleanliness.

How to Use

2. DROP

the toilet bowl cleaner tablet into the water tank.

Note: Keep the tablet away from the water inlet and outlet.
Leave it in place for at least 1 hours to fully activate the cleaning effect.

Step 1: Brush and flush the toilet bowl before placing the tablet.

AUTOMATIC Cleaning

simply set and flush*

Step 2: Drop the tablet into the water tank, away from the water inlet and outlet.

12-Pack Set Lasts Up to 6 Months

Step 3: Flush to keep the toilet clean after the tablet has activated.

OPERATING INSTRUCTIONS

Once the tablet is placed in the tank and activated, it will automatically release cleaning agents with each flush. No further action is required until replacement is needed.

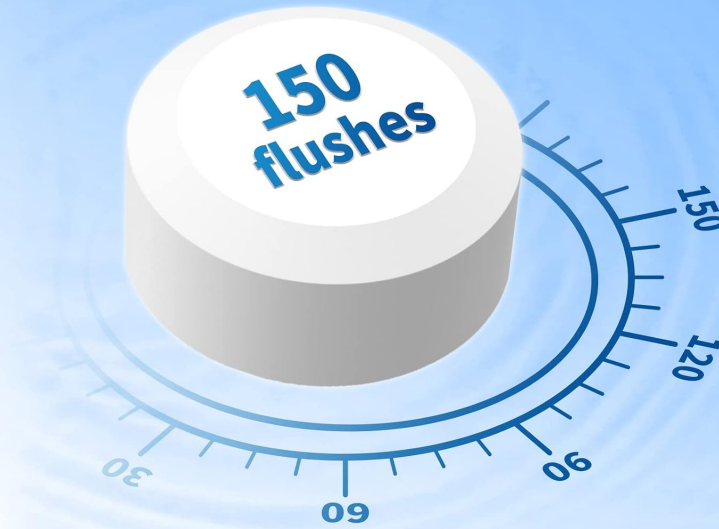

MAINTENANCE

Each Vacplus toilet tablet lasts for at least 15 days, providing up to 150 flushes in summer/warm water conditions, or 20 days/200 times of use in winter/cold water conditions. Replace the tablet when the cleaning effect diminishes.

Long-Lasting

each pack lasts up to 150 flushes*

—.

* The lifetime may vary based on seasons, water temperature and quality.

Each tablet provides long-lasting cleaning for up to 150 flushes. The actual lifetime may vary based on water temperature and quality.

TROUBLESHOOTING

- **Strong Bleach Smell:** A strong bleach smell may be noticeable, especially during the first day of a new tablet. This indicates the active cleaning ingredients are functioning. Ensure adequate ventilation in the bathroom.
- **Broken Package:** If the package is found broken, do not expose the product to air for too long, as it may volatilize an uncomfortable pungent smell.
- **Ineffective Cleaning:** Ensure the toilet bowl is brushed and flushed before the first use of a new tablet to maximize effectiveness.
- **Discoloration/Damage:** This product is restricted to toilet bowl cleaning only. Stop using the product if it is smashed or if any adverse effects on toilet components are observed.
