WANAI BCD63-BLACK

WANAI 3.5 Cu.Ft Compact Chest Freezer Instruction Manual

Model: BCD63-BLACK

1. Product Overview

This manual provides essential information for the safe and efficient operation of your WANAI 3.5 Cu.Ft Compact Chest Freezer. Please read it thoroughly before use and retain it for future reference.

The WANAI 3.5 Cu.Ft Compact Chest Freezer is designed for space-saving storage, suitable for kitchens, apartments, offices, bars, and college dorms. It features adjustable temperature settings, a removable storage basket, and energy-efficient, low-noise operation.

2. Setup Instructions

1. **Unpacking:** Carefully remove the freezer from its packaging. Inspect for any shipping damage.
2. **Placement:** Choose a location with adequate ventilation, away from direct sunlight or heat sources. Ensure there is sufficient space around the unit for air circulation.
3. **Leveling:** Ensure the freezer is placed on a flat, stable surface.
4. **Initial Standby:** After transportation, allow the freezer to stand upright for at least 24 hours before plugging it into a power outlet. This allows the refrigerant to settle, preventing potential damage to the compressor.
5. **Power Connection:** Plug the freezer into a dedicated 110 Volt power outlet.

3. Operating Instructions

Temperature Control

The freezer features a 7-level temperature adjustment dial located on the front lower right side. Rotate the dial to select your desired temperature setting:

- **Levels 1-2:** Refrigerator temperature range from 32℉ to 50℉ (0℃ to 10℃). Ideal for beverages and fruits, functioning as a cooler.
- **Levels 3-7:** Freezer temperature range from -11.2℉ to 32℉ (-24℃ to 0℃). Suitable for freezing meat, seafood, and ice cream. Level 7 provides the deepest freeze.

Removable Storage Basket

The freezer includes a removable storage basket for organizing smaller items and providing easy access to frequently used foods. This basket can be lifted out for convenience.

Energy Efficiency and Noise Level

The freezer is designed with a R600a high-efficiency compressor, consuming approximately 0.56 kilowatt-hours per day. It operates at a low noise level of less than 45dB, ensuring minimal disturbance.

4. Maintenance

Defrosting

The freezer is a manual defrost model. When ice buildup becomes significant (approximately 1/4 inch or 6mm thick), it is recommended to defrost the unit to maintain efficiency. To defrost:

1. Unplug the freezer from the power outlet.
2. Remove all food items and store them in another freezer or cooler.
3. Open the drain plug located at the bottom of the freezer to allow water to escape. Place a shallow pan or towel underneath to collect the water.
4. Allow the ice to melt naturally. Do not use sharp objects or heating devices to speed up the defrosting process, as this can

damage the unit.

5. Once defrosted, clean the interior with a mild detergent and warm water. Dry thoroughly.
6. Close the drain plug, return food items, and plug the freezer back in.

5. Troubleshooting

If you experience issues with your freezer, please refer to the following common troubleshooting tips:

- **Freezer Not Cooling:** Ensure the power cord is securely plugged in and the outlet is functional. Check the temperature setting; it might be set too high.
- **Excessive Noise:** Verify the freezer is level and not touching any walls or objects that could cause vibrations.
- **Ice Buildup:** This is normal for manual defrost freezers. Refer to the "Defrosting" section for instructions.
- **Door Not Sealing Properly:** Check if the door gasket is clean and free of obstructions. Ensure the freezer is level.

For further assistance, please contact customer service.

6. Specifications

Feature	Detail
Brand	WANAI
Model Number	BCD63-BLACK
Capacity	3.5 Cubic Feet
Product Dimensions	20.7" (W) x 16.3" (D) x 29.5" (H)
Item Weight	35 pounds
Color	Black
Voltage	110 Volts
Wattage	70 watts
Energy Use	0.56 Kilowatt Hours/day
Installation Type	Freestanding
Door Hinges	Top
Shelves	1 (Removable Basket)
Country of Origin	China

7. Warranty and Customer Support

Manufacturer Warranty: A 1-year warranty for the machine starts from the date of purchase.
Customer Service: WANAI is committed to providing the highest standard of customer service. Our customer service is online 24 hours a day and dedicated to solving any after-sales problems. If you have any questions about our products, please feel free to contact us for a satisfactory answer.
