DailyU Travel Case

DailyU Travel Case User Manual

Model: Travel Case for TSAI C101A2 Fingertip Pulse Oximeter

Brand: DailyU

1. Introduction

This user manual provides essential information for the proper use and maintenance of your DailyU Travel Case. Designed specifically for the TSAI C101A2 Fingertip Pulse Oximeter, this case offers robust protection and convenient portability for your device.

Key features include a durable exterior, soft interior lining, a sturdy hand strap, and a smooth 360-degree zipper for easy access. The case is semi-waterproof, shockproof, and dustproof, ensuring your pulse oximeter remains safe from impacts and splashes during travel or storage.

2. Product Overview

Figure 2.1: The DailyU Travel Case shown open with a compatible pulse oximeter securely placed inside. The interior features a soft lining and a mesh pocket for accessories.

Figure 2.2: The DailyU Travel Case in its closed state, featuring the robust exterior and the attached carabiner for easy attachment to bags or belts.

3. Setup and Initial Use

1. **Unpacking:** Carefully remove the travel case from its packaging. Inspect the case for any signs of damage during transit.
2. **Initial Inspection:** Open the zipper completely and examine the interior. Ensure the soft lining and mesh pocket are intact.
3. **Device Placement:** Gently place your TSAI C101A2 Fingertip Pulse Oximeter into the main compartment of the case. Ensure it fits snugly without excessive force.
4. **Accessory Storage:** Use the internal mesh pocket to store small accessories such as spare batteries or a small cleaning cloth.
5. **Closing the Case:** Close the case by pulling the zipper smoothly around the perimeter. Ensure the zipper is fully closed to provide maximum protection.

4. Operating Instructions

The DailyU Travel Case is designed for straightforward operation to protect and transport your pulse oximeter.

- **Securing Your Device:** Always ensure your pulse oximeter is placed correctly within the designated compartment before closing the case.
- **Using the Zipper:** The 360-degree zipper allows for full opening of the case. Always use a firm, steady pull to open and close the zipper to prevent snagging.
- **Portability:** Utilize the sturdy hand strap or the attached carabiner for convenient carrying. The carabiner allows you to clip the case to a backpack, belt loop, or other gear for easy access.
- **Protection:** While the case offers significant protection against impacts, splashes, and dust, it is not designed for submersion in water or extreme impacts. Handle with care.

5. Maintenance and Care

To ensure the longevity and effectiveness of your DailyU Travel Case, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior of the case with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by wiping with a clean, damp cloth. Allow to air dry completely.
- **Interior Care:** The soft interior lining can be gently wiped with a dry or slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners.

- **Zipper Maintenance:** If the zipper becomes stiff, a small amount of zipper lubricant or wax can be applied to the teeth. Avoid forcing a stuck zipper.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.

6. Troubleshooting

Problem	Possible Cause	Solution
Pulse Oximeter does not fit perfectly.	Incorrect device model or improper placement.	Ensure your device is a TSAI C101A2 Fingertip Pulse Oximeter. Adjust the device's position within the case for a snug fit.
Zipper is stuck or difficult to move.	Debris in zipper teeth or lack of lubrication.	Check for any fabric or debris caught in the zipper. Gently remove it. Apply a small amount of zipper lubricant or wax if needed. Do not force the zipper.
Case appears flimsy or not well-made.	Product expectation mismatch or potential manufacturing defect.	The DailyU case is designed with durable EVA material. If you believe there is a defect, contact customer support.

7. Specifications
