SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Ensure all parts are present and undamaged before beginning assembly.
- Do not exceed the maximum weight capacities for the tabletop (55 lbs closed, 33 lbs extended), storage compartment (44 lbs), and bottom shelf (55 lbs).
- Keep fingers and hands clear of the lift mechanism when raising or lowering the tabletop to prevent pinching.
- Assemble the table on a soft, clean surface to prevent scratches.
- Periodically check all connections and fasteners to ensure they remain tight.
- This product is intended for indoor use only.

PACKAGE CONTENTS

Your Yaheetech Lift Top Coffee Table package includes:

- All necessary furniture panels (e.g., tabletop, side panels, bottom shelf).
- Accessory Kit (containing screws, bolts, nuts, and other small hardware).
- Gas lift mechanism components.
- Assembly Instructions (detailed PDF available online).

- All required assembly tools are included.

SETUP AND ASSEMBLY

For detailed step-by-step instructions, please refer to the official Installation Manual (PDF) provided by Yaheetech. It is highly recommended to have two people for assembly to ensure stability and ease of handling, especially when attaching the lift-top mechanism.

Important Tips:

- Lay out all parts and hardware before starting.
- Follow the numerical sequence in the instructions carefully.
- When installing the lift mechanism, attach the bracket to the tabletop first, then secure the mounts to the base table, and finally connect the hydraulic rod. The hydraulic rod may require compression to fit.
- Use the included tools or an automatic screwdriver for efficiency.

OPERATING INSTRUCTIONS

Lift-Top Mechanism

The coffee table features a gas lift mechanism for smooth and easy elevation of the tabletop. To raise the tabletop, gently pull it upwards. The gas springs will assist in lifting it to a comfortable working or dining height. To lower, apply gentle downward pressure while guiding the top back into its closed position.

Safe & Durable Gas Lift Mechanism

- ✓ Silent and Shock-absorbing
- ✓ Bumping Prevented
- ✓ Smooth Operations

MAINTENANCE

To ensure the longevity and appearance of your Yaheetech coffee table, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. The water and wear-resistant veneer makes cleaning easy.
- **Durability:** The table is constructed from CARB P2 compliant MDF with a durable veneer, designed for long-term use.

- **Mechanism Care:** The powder-coated metal spring lift mechanism is built for robust support. If the mechanism feels stiff over time, ensure no debris is obstructing its movement. Avoid applying excessive force.

Sturdy Wood Construction

- ✓ Water-resistant
- ✓ Scratch-resistant
- ✓ Easy to Clean
- ✓ Durable & Sturdy
