KUST 2021225

KUST Windshield Sun Shade Instruction Manual

Brand: KUST | Model: 2021225

1. INTRODUCTION

The KUST Windshield Sun Shade is designed to provide superior protection for your vehicle's interior. Custom-fit for specific car models, it effectively blocks harmful UV rays and reduces heat buildup, ensuring a cooler and more comfortable cabin environment. This manual provides detailed instructions for installation, operation, and maintenance.

2. FEATURES

- **Vehicle Specific Fit:** Custom designed for Kia Soul 2014-2019 models (Base, Plus, SUV) ensuring full windshield coverage without gaps.
- **Advanced Fabric Technology:** Constructed from 250T Reflective Fabric, featuring a higher density for enhanced performance.
- **Double-Layer Design:** Includes black heat insulation layers and silver reflective layers for optimal protection against sun and heat. Blocks up to 99% of damaging UV rays.
- **Temperature Regulation:** Helps to significantly reduce interior temperatures, allowing the vehicle's air conditioning to cool the car faster and more efficiently.
- **Interior Protection:** Safeguards car interior components such as dashboards and seats from fading and damage caused by prolonged UV exposure.
- **Privacy and Comfort:** Provides privacy and a comfortable environment for occupants, ideal for travel or naps.
- **Easy Installation & Storage:** Designed for quick installation and folding, utilizing elastic memory steel wire that retains its shape. No suction cups or adhesives required.

CAR WINDSHIELD SUNSHADE

UV Reflecting Foldable 210T Double Layer Windshield Sun Shade

3. SETUP AND INSTALLATION

Follow these steps for proper installation of your KUST Windshield Sun Shade:

1. **Open the Sun Shade:** Carefully unfold the sun shade inside your vehicle. It is designed to pop open easily.
2. **Position the Shade:** Place the sun shade against the inside of your windshield. Ensure the **silver side is facing outward** towards the sun, and the **black side is facing inward** towards the car interior.
3. **Secure with Sun Visors:** Pull down your vehicle's sun visors to hold the sun shade firmly in place against the windshield.
4. **Attach Velcro (if applicable):** For models with a central cutout, attach the velcro strap around your rearview mirror to further secure the shade and eliminate any gaps.

PLEASE NOTE AS BELOWS

PLEASE NOTE: The Silver side is OUTWARD

Black side is INWARD

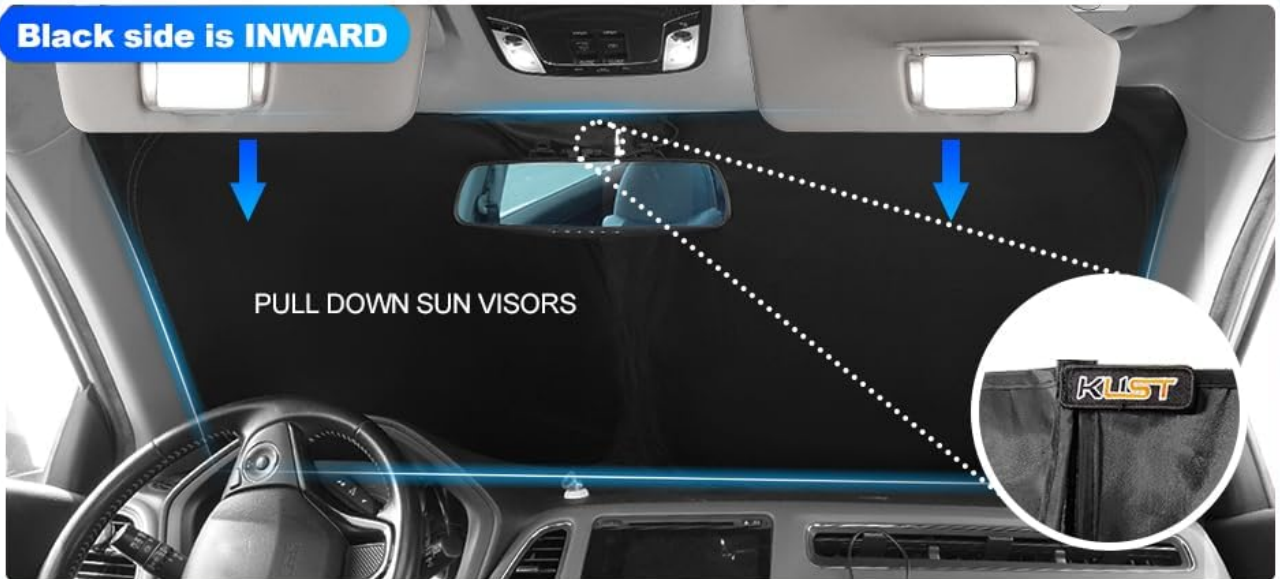

Image: Visual guide emphasizing the correct orientation of the sun shade: silver side facing outward, black side facing inward.

EASY INSTALLATION

Note: The sunshade's black side facing the inside and silver side is facing outside.

1. Open the sunshade in car.
2. Pull the sun visors down, and make it hold the sunshade against windshield.
3. Attach velcro above the rear-view mirror.

Video: Official KUST demonstration of sun shade installation and folding. This video illustrates the ease of setup and storage, showcasing the product's flexibility and fit within a vehicle.

4. OPERATING INSTRUCTIONS

Once installed, the KUST Windshield Sun Shade works passively to protect your vehicle. Ensure the silver reflective side is always facing outwards to maximize UV and heat reflection. The shade's custom fit minimizes light leakage, providing a dark and cool interior.

5. MAINTENANCE

To maintain the effectiveness and longevity of your sun shade:

- **Cleaning:** Wipe the surface with a damp cloth as needed. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** The sun shade is designed to fold compactly. Twist and fold it into a small circle and place it in the provided storage bag when not in use. This helps maintain its shape and extends its lifespan. Refer to the installation video for a demonstration of the

folding technique.

6. TROUBLESHOOTING

Common questions and solutions:

Q: Not Custom Fit?

A: KUST Sunshades are vehicle-specific for a perfect fit. Please carefully check the car model, version, and model years described online to ensure compatibility.

Q: Broken?

A: Quality is a priority. If your product is broken or damaged, please contact customer support with images for confirmation. A replacement will be provided if confirmed.

Q: Fall Off?

A: Ensure the sun visors are in the down position, firmly holding the shade against the windshield. Also, attach the velcro strap around the rearview mirror if your model includes one.

7. SPECIFICATIONS
