BarcaLounger Kester Power Reclining Sofa with Power Headrests - Instruction Manual

Model: 39PH3716372744

PRODUCT OVERVIEW

The BarcaLounger Kester Power Reclining Sofa is a mid-century modern piece designed for comfort and functionality. It features power recline and power headrests, box seat style pad over chaise seating with pocketed coil springs, tucked pillow arms, and clean line pub backs. Integrated USB ports in the power buttons allow for convenient device charging. The sofa's legs are finished in a dark teak color.

SETUP INSTRUCTIONS

This product requires some assembly. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all components from the packaging. Ensure all parts are present and undamaged before proceeding.
2. **Attach Legs:** Securely attach the dark teak finished legs to the base of the sofa. Ensure they are tightened properly for stability.
3. **Connect Power:** Locate the power cord. Connect one end to the power input on the sofa, typically found at the back or underneath. Then, plug the other end into a standard wall electrical outlet.
4. **Position Sofa:** Place the sofa in your desired location. Ensure there is adequate wall clearance, approximately 63 inches, behind the sofa to allow for full recline without obstruction.

Note: Assembly tools are not included. One person is recommended for assembly. Component connector assembly is not required.

OPERATING INSTRUCTIONS

The BarcaLounger Kester sofa features intuitive power controls for enhanced comfort.

- **Power Recline:** Use the integrated power buttons located on the side of the sofa to smoothly recline the seat to your desired position. The sofa can recline to a maximum length of 63.3 inches.
- **Power Headrests:** Adjust the angle of the headrest independently using the dedicated power buttons to find optimal neck and head support.

- **USB Charging:** The power control panel includes built-in USB ports. Connect your devices to these ports for convenient charging while relaxing.

CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your BarcaLounger Kester sofa.

- **General Cleaning:** Regularly dust the leather upholstery with a soft, dry cloth to prevent dirt buildup.
- **Spot Cleaning:** For spills, blot immediately with a clean, damp cloth. The upholstery cleaning code is 'W', indicating that water-based cleaning agents can be used for spot cleaning. Always test any cleaning agent on an inconspicuous area first. Avoid harsh chemicals, abrasive cleaners, or excessive moisture.
- **Leather Protection:** Keep the sofa away from direct sunlight and heat sources (e.g., radiators, fireplaces) to prevent fading, drying, and cracking of the leather. Consider using a leather conditioner periodically as recommended by leather care specialists.
- **Structural Integrity:** Periodically check all connections and fasteners, especially those for the legs and reclining mechanisms, to ensure they remain secure.

For specific product care instructions, please refer to any additional documentation provided with your sofa.

TROUBLESHOOTING

If you encounter issues with your power reclining sofa, consider the following common solutions:

- **Power Functions Not Working:**

- Ensure the power cord is securely plugged into both the sofa's power input and a functional wall electrical outlet.
- Test the wall outlet with another appliance to confirm it is receiving power.
- Check for any kinks or damage in the power cord.
- **Unusual Noises During Operation:**
 - Ensure no objects are obstructing the reclining mechanism underneath the sofa.
 - Verify that all assembly fasteners are tight.
- **Uneven Recline:**
 - Ensure the sofa is placed on a level surface.
 - Check for any obstructions beneath the reclining mechanism.

If these steps do not resolve the issue, please contact customer support for further assistance.
