1. PRODUCT OVERVIEW

The BarcaLounger Sandover Power Recliner is a casual transitional triple power reclining chair designed for comfort and relaxation. It features power recline, power headrest, and power lumbar support, allowing for personalized adjustments to achieve optimal comfort.

Key features include pad over chaise bucket seating with pocketed coil springs for enhanced support, flared track pillow arms accented with nail head trim for a stylish finish, and a plush 42.5-inch high pub back with strap detail. The power buttons are equipped with USB ports, providing convenient charging for your electronic devices.

This recliner is constructed with high-quality leather, ensuring durability and a luxurious feel.

2. SETUP AND ASSEMBLY

This section provides general guidelines for setting up your BarcaLounger Sandover Power Recliner. While specific assembly steps may vary, the core process involves connecting the backrest to the base and plugging in the power supply.

2.1 Unpacking

- Carefully remove all components from the packaging.
- Inspect all parts for any damage. If any damage is found, do not proceed with assembly and contact customer support.
- Ensure all components listed in the packing list (if provided) are present.

2.2 Assembly Steps

1. Position the recliner base in the desired location, ensuring sufficient clearance for reclining. The wall proximity required is 3.9 inches.
2. Align the backrest with the metal brackets on the recliner base.

3. Slide the backrest down firmly until it locks securely into place. You should hear an audible click.
4. Connect the power cord from the recliner to a standard electrical outlet.
5. Test all power functions (recline, headrest, lumbar) to ensure proper operation.

For detailed visual instructions, refer to any assembly diagrams included with your product packaging.

3. OPERATING INSTRUCTIONS

The BarcaLounger Sandover Power Recliner features intuitive controls for adjusting your seating position. The power buttons are typically located on the side of the recliner arm.

3.1 Power Recline

To recline the chair, press and hold the recline button. The footrest will extend, and the backrest will lean back. Release the button when you reach your desired position. To return to the upright position, press and hold the opposite button until the chair is fully upright.

3.2 Power Headrest

Adjust the headrest angle by pressing and holding the headrest control button. This allows you to find the perfect support for your head and neck, whether you are reading, watching TV, or fully reclined.

3.3 Power Lumbar Support

The power lumbar feature provides adjustable support for your lower back. Use the dedicated lumbar control button to increase or decrease the lumbar support to suit your comfort needs.

3.4 USB Charging Ports

The power buttons include integrated USB ports. These ports can be used to charge your electronic devices while you relax. Simply connect your device's USB cable to the port.

4. CARE AND MAINTENANCE

Proper care and maintenance will help preserve the appearance and longevity of your BarcaLounger Sandover Power Recliner.

4.1 Leather Care

- **Cleaning:** For general cleaning, wipe the leather surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the leather.
- **Spot Cleaning:** For spills or stains, use a clean cloth and a mild leather cleaner specifically designed for furniture. Follow the product instructions carefully. Test any cleaning solution on an inconspicuous area first.
- **Protection:** Keep the recliner away from direct sunlight and heat sources to prevent fading and drying of the leather.

4.2 General Maintenance

- Periodically check all connections and fasteners to ensure they are tight.
- Avoid placing heavy or sharp objects on the recliner that could puncture or scratch the leather.
- Ensure the power cord is not pinched or damaged.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your power recliner.

6.1 Recliner Not Operating

- **Check Power Connection:** Ensure the power cord is securely plugged into both the recliner and a functional wall outlet.
- **Check Circuit Breaker:** Verify that the circuit breaker for the outlet has not tripped.
- **Inspect Cord:** Examine the power cord for any visible damage or kinks.

6.2 USB Ports Not Charging

- **Verify Recliner Power:** Ensure the recliner is powered on and connected to an electrical outlet.
- **Check USB Cable:** Try a different USB cable to rule out a faulty cable.
- **Device Compatibility:** Some devices may require specific charging protocols not supported by the recliner's USB ports.

6.3 Unusual Noises During Operation

- **Inspect Mechanism:** Check for any obstructions around the reclining mechanism.
- **Lubrication:** Moving parts may require occasional lubrication. Consult a professional if noises persist.

If you continue to experience issues, please contact BarcaLounger customer support for assistance.

7. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure safe operation and prevent injury or damage.

- **Weight Limit:** The maximum weight recommendation for this recliner is 128 pounds. Exceeding this limit may cause damage to the recliner or lead to injury.
- **Children and Pets:** Keep children and pets away from the reclining mechanism, especially during operation, to prevent entrapment or injury.
- **Clearance:** Ensure adequate clearance around the recliner when operating the recline function to avoid obstructions.
- **Power Cord:** Do not place the power cord under the recliner or in a position where it could be pinched or damaged. Avoid tripping hazards.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, visit www.P65Warnings.ca.gov.
