DaVinci M5582CT

DaVinci Kalani 4-in-1 Convertible Crib and Changer Combo Instruction Manual

Model: M5582CT

1. Introduction

Thank you for choosing the DaVinci Kalani 4-in-1 Convertible Crib and Changer Combo. This product is designed to provide a safe and functional sleeping and changing solution for your child, adapting as they grow. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

Product Overview

- **GREENGUARD Gold Certified:** Tested for over 10,000 chemical emissions and VOCs for healthier indoor air.
- **4-in-1 Convertible Design:** Easily converts from a crib to a toddler bed, daybed, and full-size bed.
- **Integrated Changer:** Features a changing station with compact drawers and spacious shelves for storage.
- **Adjustable Mattress Heights:** Offers 4 adjustable mattress positions to accommodate your child's growth stages.
- **Quality Construction:** Made from solid sustainable New Zealand pinewood and TSCA compliant engineered wood.

2. Safety Guidelines

Your child's safety is our top priority. Please adhere to the following safety guidelines:

- Always follow assembly instructions carefully. Ensure all bolts and fasteners are securely tightened.
- Do not use the crib if any parts are missing, damaged, or broken. Contact customer support for replacement parts.
- Ensure the mattress used fits snugly, leaving no gaps larger than 1/2 inch (1.27 cm) between the mattress and

the crib sides.

- Never place the crib near windows where cords from blinds or drapes could strangle a child.
- Do not place toys with long strings or cords in the crib.
- Discontinue use of the crib when your child begins to climb out or reaches 35 inches (89 cm) in height.
- For the changer, always use the safety strap provided and never leave a child unattended.
- This product is finished with a non-toxic multi-step painting process and is lead and phthalate safe, exceeding ASTM International and U.S. CPSC safety standards.

3. Package Contents

Please verify that all components are present before beginning assembly. Refer to the separate assembly guide included in your packaging for a detailed list of parts and hardware.

- Crib side panels (front, back, left, right)
- Changer unit components (top, sides, drawers, shelves)
- Mattress support spring
- Changing pad with safety strap
- Assembly hardware (screws, bolts, barrel nuts, Allen wrench)
- Instruction manual (this document)

4. Setup and Assembly

Assembly typically requires two adults. Please follow the step-by-step instructions provided in the separate assembly guide included with your product. Ensure you have adequate space and all tools listed in the guide before starting.

General Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Assemble the crib side panels.
3. Attach the mattress support to the desired height.
4. Assemble the changer unit, including drawers and shelves.
5. Connect the crib and changer units securely.

6. Place the changing pad on the changer top and secure it with the provided strap.
7. Insert the crib mattress.
8. Double-check all connections and fasteners for tightness.

5. Operating Instructions

Crib Mattress Height Adjustment

The crib features 4 adjustable mattress height positions to ensure safety and convenience as your child grows. Adjust the mattress support to the lowest position once your child can sit up unassisted or pull themselves to a standing position.

- **Highest Position:** For newborns, allowing easy access to your baby.
- **Mid-High Position:** When your baby begins to roll over.
- **Mid-Low Position:** When your baby can sit up independently.
- **Lowest Position:** When your baby can stand.

Figure 5: Crib dimensions and recommended mattress height adjustments based on child's development.

Changer Unit Usage

The integrated changer provides a convenient space for diaper changes and includes storage for essentials. Always use the safety strap when your child is on the changing pad and never leave them unattended.

6. Conversion Instructions

The DaVinci Kalani crib is designed to convert into a toddler bed, daybed, and full-size bed, extending its usability for years. Conversion kits are sold separately.

Conversion Stages:

- **Toddler Bed:** Requires Toddler Conversion Kit #M3099 (sold separately).
- **Daybed:** No additional kit required, typically involves removing the front crib rail.
- **Full-Size Bed:** Requires Full-Size Conversion Kit #M5789 and Bunkie Board M26058B (both sold separately).

Refer to the specific conversion kit instructions for detailed steps on transforming your crib.

7. Care and Maintenance

Proper care will help maintain the longevity and appearance of your crib and changer.

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid abrasive cleaners or strong chemicals that could damage the finish.
- **Inspections:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Re-tighten as necessary.
- **Storage:** If storing the unit, do so in a dry, temperature-controlled environment to prevent warping or damage.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.

8. Troubleshooting

If you encounter any issues with your DaVinci Kalani Crib and Changer, please refer to the following common solutions:

- **Wobbly Structure:** Ensure all bolts and screws are fully tightened. Over-tightening can strip threads, so tighten firmly but carefully.
- **Drawers Sticking:** Check that drawer slides are properly aligned and free of obstructions. Apply a small amount of furniture wax or silicone spray to the slides if needed.
- **Missing Parts:** If any parts were missing upon delivery, contact DaVinci customer support immediately for replacements. Do not attempt to substitute parts.
- **Difficulty Converting:** Review the specific conversion kit instructions carefully. Ensure all necessary hardware is used and installed correctly.

If problems persist, please contact DaVinci customer support for further assistance.

9. Product Specifications
