Hot Spring 80043

Hot Spring Defoamer 80043 Hot Tub Spa Instruction Manual

Model: 80043 | Brand: Hot Spring

INTRODUCTION

This manual provides essential instructions for the safe and effective use of Hot Spring Defoamer, a 16 fl oz liquid product designed to control foam in hot tubs and spas. This product features new packaging and is formulated to maintain water balance.

PRODUCT OVERVIEW

Hot Spring Defoamer is a specially formulated, oil-free silicone compound. It is designed to eliminate foam typically caused by soap, shampoo, cleanser, and other residues in spas. This defoamer will not affect the water balance and is compatible with standard water treatment chemicals.

- **Product Type:** Liquid Defoamer
- **Volume:** 16 Fluid Ounces
- **Formulation:** Oil-free silicone compound
- **Primary Benefit:** Prevents and eliminates foam in hot tubs and spas
- **Compatibility:** Safe for use with water treatment chemicals; does not affect water balance.

USAGE INSTRUCTIONS

Shake well before using.

1. Add a few squirts of Hot Spring Defoamer directly to the foaming area of your hot tub or spa.
2. Ensure the hot tub or spa system is in operation during application.
3. Apply only as necessary to control and eliminate foam.

Do not overuse. Use only when needed to manage foam levels effectively.

SAFETY INFORMATION

Precautionary Statements for Humans and Domestic Animals:

- This product may cause temporary irritation to eyes and skin.

- May be harmful if swallowed.
- Avoid contact with eyes, skin, and clothing.
- Wash hands thoroughly after handling.
- Do not mix with other chemicals.

In case of contact, rinse affected area with plenty of water. If irritation persists, seek medical attention.

STORAGE AND DISPOSAL

- Keep this product in its original container when not in use.
- Store at room temperature.
- Do not store near chlorine or other oxidizers.
- Use entire contents of the container.
- Triple rinse the empty container for recycling or dispose of it in accordance with state and local regulations.
- Do not reuse the empty container.

CALIFORNIA PROPOSITION 65 WARNING

WARNING: This product can expose you to chemicals which are known to the State of California to cause cancer and reproductive harm. For more information, go to www.P65Warnings.ca.gov.
