1. PRODUCT OVERVIEW

The Rolife Cat House Wooden Condo is a multi-functional pet furniture piece designed for indoor cats and small dogs. It features a unique TV-shaped design, providing a comfortable shelter, a scratching surface, and an interactive toy. This sturdy unit also serves as a decorative element in your home.

2. KEY FEATURES

- **Creative TV-Shaped Design:** Constructed from solid wood, this cat house resembles a vintage television, offering a unique aesthetic. It includes a soft polyester plush cushion for comfort.
- **Spacious and Sturdy:** With dimensions of 19.7"W x 11.4"D x 15.7"H, it accommodates various indoor cats and small dogs. Its stable structure allows multiple pets to use it simultaneously.
- **Multi-functional Cat Scratcher & Toys:** Features a natural linen side scratcher to satisfy their natural urge to scratch, helping to protect your furniture. A bell ball toy, designed as an antenna, stimulates your cat's curiosity and provides entertainment.
- **Dual-Purpose Furniture:** Functions as both a cat house and a piece of human furniture, such as a bedside table or end table. Its design complements various interior styles, and smooth wood surfaces ensure easy cleaning.
- **Easy Assembly:** Each component is clearly marked, and the package includes high-grade hardware and a hexagonal wrench for straightforward installation, typically completed within 20 minutes.

Product Features

Fur Ball Bell

3. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Rolife Cat House. All necessary hardware and tools are included.

1. Unpack all components and verify against the parts list. Each board is marked for easy identification.
2. Attach the four pinewood legs to the base panel using the provided screws and hexagonal wrench.
3. Connect the side panels to the base and back panels, ensuring all connections are secure.
4. Install the front panel, which features the main opening and decorative elements.
5. Secure the top panel to complete the main structure of the cat house.
6. Insert the polyester plush cushion into the main compartment.
7. Attach the natural linen scratcher to the designated side panel.
8. Insert the bell ball toy (antenna) into the hole on the top panel.

4. OPERATING INSTRUCTIONS (USAGE)

The Rolife Cat House is designed for versatile use by your pet and as a functional piece of furniture in your home.

- **Pet Shelter:** Your cat or small dog can comfortably rest and sleep inside the main compartment, which is fitted with a soft cushion.
- **Scratching Post:** Encourage your cat to use the natural linen scratcher on the side to satisfy their natural urge to scratch, helping to protect your furniture.
- **Play Area:** The bell ball toy on top provides an engaging element for your pet to play with, stimulating their instincts.
- **Jumping Platform:** The sturdy top surface can also serve as a jumping platform or a comfortable elevated spot for your pet to observe their surroundings.

- **Human Furniture:** Utilize the top surface as a small table for placing items like books, drinks, or decorative ornaments.

Image: A cat comfortably settled inside the main compartment of the cat house, highlighting its function as a private and cozy shelter.

5. MAINTENANCE

- **Cleaning the Wood Surfaces:** Wipe the wooden surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Cushion Care:** The polyester plush cushion can be removed for cleaning. Refer to the cushion's care label for specific washing instructions, typically machine washable on a gentle cycle.
- **Scratcher Maintenance:** The natural linen scratcher is designed for durability. Replace if it becomes excessively worn to ensure continued effectiveness and prevent damage to other household items.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight and secure. Tighten any loose hardware as needed.

6. TROUBLESHOOTING

- **Pet Not Using the House:**
 - Ensure the house is placed in a quiet, comfortable location where your pet feels safe.
 - Place familiar items like a favorite blanket or toy inside to encourage use.
 - Use catnip or treats to attract your pet to the house.
 - Allow time for your pet to adjust to the new item.
- **Loose Parts After Assembly:**
 - Re-check all connections and tighten screws using the provided hexagonal wrench.
 - Ensure all components are correctly aligned according to the assembly instructions.
- **Scratcher Wear:**
 - The natural linen scratcher is a consumable item. If it becomes too worn, consider replacing it to maintain its effectiveness.
