Febreze CM03251-63

Febreze Unstoppables Car Air Freshener Vent Clip User Manual

Model: CM03251-63 | Scent: Fresh

1. PRODUCT OVERVIEW

The Febreze Unstoppables Car Air Freshener Vent Clip is designed to eliminate odors and deliver a continuous fresh scent in your vehicle. Each clip is formulated to provide freshness for up to 30 days, ensuring your car smells clean and inviting.

Image: Front packaging of Febreze Unstoppables Car Air Freshener Vent Clips, Fresh Scent, showing three clips.

Key Features:

- Simple activation mechanism.
- Adjustable scent intensity dial.
- Long-lasting freshness for up to 30 days.
- Formulated without dyes, phthalates, or formaldehyde.

2. SAFETY INFORMATION

- **KEEP OUT OF REACH OF CHILDREN AND PETS.**
- Store product at room temperature.
- Once activated, do not store in glove compartment or other closed container.
- Avoid direct contact with plastics or dashboard surfaces, as damage may occur.

3. SETUP & INSTALLATION

Follow these steps to properly install your Febreze Car Air Freshener Vent Clip:

1. **Activate:** To activate the scent, firmly push the clip up until you hear it click into place. This action punctures the scent membrane, releasing the fragrance.
2. **Clip:** Securely clip the product onto one of your car's air vents. Ensure it is firmly attached and does not obstruct airflow.
3. **Adjust:** To control the freshness intensity, locate the small dial on the side of the clip and adjust it to your desired level.

Video: A seller-provided demonstration of how to activate and install the Febreze Unstoppables Car Freshener, including adjusting the scent intensity.

4. OPERATING INSTRUCTIONS

Once installed, the vent clip will release scent as air flows through your car's ventilation system. The intensity of the scent can be controlled to suit your preference.

Adjusting Scent Intensity:

The Febreze Vent Clip features a small slider or dial on its side. Move this slider to increase or decrease the amount of fragrance released. This allows you to customize the scent level from subtle to more pronounced, depending on your needs and the current odor situation in your car.

5. MAINTENANCE

The Febreze Unstoppables Car Air Freshener Vent Clip is designed for single-use and requires no maintenance other than replacement.

Replacement:

Each clip provides freshness for up to 30 days. When the liquid scent reservoir is empty, or the fragrance is no longer noticeable, simply remove the old clip from the vent and replace it with a new one. The product packaging includes a storage case for unused clips to help maintain their freshness.

6. TROUBLESHOOTING

If you experience issues with your Febreze Car Air Freshener Vent Clip, consider the following:

- **No Scent:** Ensure the clip was firmly pushed up during activation until a click was heard. This ensures the scent membrane is properly punctured. Also, check the intensity dial to ensure it's not set to the lowest setting.
- **Weak Scent:** Adjust the intensity dial to a higher setting. Ensure your car's ventilation system is active to help circulate the fragrance.
- **Scent Depleted Quickly:** High intensity settings or continuous use of strong airflow may cause the scent to deplete faster than 30 days. Consider adjusting the intensity dial to a lower setting for longer-lasting fragrance.
- **Product Damage/Leakage:** If the product appears damaged or is leaking, discontinue use immediately and dispose of it safely. Avoid contact with skin and eyes.

7. SPECIFICATIONS

Feature	Detail
