## 1. INTRODUCTION

Thank you for choosing the iPlay, iLearn Backpack Dollhouse Playset. This manual provides essential information for the proper setup, operation, and maintenance of your new toy. Please read these instructions carefully before use and retain them for future reference.

This playset is designed to offer an engaging and imaginative play experience, featuring multiple themed rooms and accessories that encourage creative storytelling and role-playing.

## 2. WHAT'S IN THE BOX

Please verify that all components listed below are present in your package:

- 1 x Backpack Dollhouse
- 1 x Doll Figure
- Various Doll Furniture Pieces
- School Doll Playset Accessories
- Decorative Sticker Sheet

If any items are missing or damaged, please contact customer support.

## 3. SETUP INSTRUCTIONS

### 3.1 Unpacking and Initial Inspection

Carefully remove all contents from the packaging. Inspect all pieces for any signs of damage. Dispose of packaging materials responsibly.

### 3.2 Applying Decorative Stickers

The playset includes a sheet of decorative stickers to enhance the dollhouse and its furniture. Each sticker is numbered to correspond with specific locations on the playset components. Refer to the sticker sheet for guidance.

This image displays a sheet of various decorative stickers, numbered for easy application, used to personalize and enhance the details of the dollhouse and its furniture.

### 3.3 Transforming the Backpack into a Playset

The dollhouse is designed to transform from a portable backpack into an open playset. Follow these steps:

1. Locate the latches or clips on the backpack exterior.
2. Carefully unlatch and unfold the backpack sections.
3. Extend the base and side panels to reveal the various rooms and play areas.
4. Ensure all sections are securely locked into place for stability during play.

This image provides a visual sequence of steps, numbered 1 through 7, demonstrating the process of folding and securing the dollhouse playset to convert it into a compact, portable backpack.

### 3.4 Battery Installation

The playset requires 3 AA batteries for certain interactive features, such as the music room piano. To install batteries:

1. Locate the battery compartment, typically on the underside or rear of the playset.
2. Using a small screwdriver, open the battery compartment cover.
3. Insert 3 AA batteries, ensuring correct polarity (+/-).
4. Replace the cover and secure it with the screw.

## 4. OPERATING INSTRUCTIONS

### 4.1 Exploring the Dollhouse Features

The playset features multiple rooms designed for imaginative play:

- **Classroom:** Includes a blackboard and seating for learning scenarios.
- **Playground:** Features a slide and open space for outdoor activities.

- **Bathroom:** Equipped with a toilet and handbasin for daily routines.
- **Dining Room:** Comes with tables and chairs for mealtime play.
- **Music Room:** Features a piano with an ON/OFF switch for musical engagement.

This image displays the iPlay, iLearn Backpack Dollhouse Playset in its fully expanded form, showcasing the various rooms including a classroom, music room, bathroom, and playground area, complete with a doll and miniature furniture.

This detailed view highlights the music room section of the dollhouse, featuring a doll seated at a miniature piano. An ON/OFF switch is visible, indicating an interactive sound feature.

## 4.2 Doll and Accessory Interaction

Position the included doll and furniture pieces within the various rooms to create different play scenarios. Encourage children to use their imagination to create stories and interactions.

## 5. MAINTENANCE

### 5.1 Cleaning

To clean the playset, wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic or painted surfaces. Ensure the playset is completely dry before storing.

### 5.2 Storage

When not in use, the playset can be folded back into its backpack form for convenient storage and portability. Follow the transformation steps in reverse to secure the playset into its compact mode. Store in a cool, dry place away from direct sunlight.

## 6. TROUBLESHOOTING

- **Dolls do not sit securely on furniture:** Some dolls or furniture pieces may require careful positioning. Consider using a small amount of non-permanent adhesive putty (not included) to temporarily secure dolls if stability is an issue.
- **Sound feature not working:** Check that the batteries are correctly installed and are not depleted. Replace batteries if necessary. Ensure the ON/OFF switch for the sound feature is in the 'ON' position.
- **Playset does not fold correctly:** Ensure all internal accessories are removed or properly stored before attempting to fold the playset into backpack mode. Verify that all panels are aligned correctly before latching.
- **Missing or broken pieces:** If you encounter missing or broken components upon opening the package, please contact iPlay, iLearn customer support for assistance.
