Your Guide to the Whimsical World of Postal Puzzling

1. INTRODUCTION

Welcome to the world of KeyWe, a charming and chaotic co-operative postal puzzler for PlayStation 5. In this game, you take on the roles of Jeff and Debra, two small kiwi birds working diligently in a whimsical post office. Your mission is to ensure the mail flows smoothly, despite having no hands! You'll need to jump, flap, peck, and butt-slam your way across interactive environments to deliver messages on time.

KeyWe offers both a delightful co-op experience for two players and an equally engaging single-player mode where you control both kiwi birds simultaneously. Prepare for mail room mayhem and perilous postal environments as you strive to become postal pros!
