EVERSPRING Liquid Hand Soap Refill User Manual

Model: B08XYBFJRQ

1. PRODUCT OVERVIEW

The EVERSPRING Liquid Hand Soap Refill provides a convenient and eco-conscious way to replenish your hand soap dispenser. This 34 fl oz pouch contains a liquid hand soap formulated to gently cleanse and soothe hands, featuring a natural lavender and bergamot fragrance.

The product is designed for refilling existing hand soap dispensers, reducing plastic waste from single-use bottles. Its biodegradable formula emphasizes environmental responsibility.

2. KEY FEATURES

- **Refill Capacity:** Each 34 fl oz pouch is designed to refill a standard hand soap dispenser up to three times, offering extended use and value.
- **Gentle Formulation:** The liquid hand soap gently cleanses and soothes hands, suitable for regular use.
- **Natural Fragrance:** Infused with 100% natural lavender and bergamot fragrance for a pleasant scent experience.
- **Eco-Conscious:** Features a biodegradable formula with 97% biobased products.
- **Safety Assured:** The product is non-toxic, paraben-free, and not tested on animals.

3. SETUP AND REFILLING INSTRUCTIONS

This product is a refill pouch for existing hand soap dispensers. Follow these steps to properly refill your dispenser:

1. **Prepare Your Dispenser:** Ensure your hand soap dispenser is clean and ready for refilling.

If it's a pump dispenser, remove the pump top.

2. **Open the Refill Pouch:** Locate the cap on the top corner of the Everspring refill pouch. Twist the cap counter-clockwise to open.
3. **Position for Refill:** Carefully position the spout of the refill pouch over the opening of your hand soap dispenser.
4. **Pour Slowly:** Gently squeeze the pouch to pour the liquid hand soap into the dispenser. Pour slowly to avoid spills and air bubbles. Fill the dispenser to your desired level, leaving some space for the pump mechanism if applicable.
5. **Secure Dispenser:** Once filled, replace the pump top or cap on your dispenser, ensuring it is securely fastened.
6. **Close Refill Pouch:** Replace the cap on the Everspring refill pouch and twist clockwise until secure. Store the remaining soap in a cool, dry place.

4. OPERATING INSTRUCTIONS

Once your dispenser is refilled, using the Everspring Liquid Hand Soap is straightforward:

1. **Wet Hands:** Wet your hands thoroughly with clean, running water.

2. **Dispense Soap:** Pump a small amount of Everspring Liquid Hand Soap into your palm. A single pump is typically sufficient.
3. **Lather and Scrub:** Rub your hands together to create a rich lather, ensuring you cover all surfaces, including the backs of your hands, between your fingers, and under your nails. Scrub for at least 20 seconds.
4. **Rinse Hands:** Rinse your hands thoroughly under clean, running water until all soap residue is removed.
5. **Dry Hands:** Dry your hands with a clean towel or air dryer.

5. MAINTENANCE AND STORAGE

- **Pouch Storage:** After opening, ensure the cap on the refill pouch is securely closed. Store the pouch upright in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Dispenser Cleaning:** Periodically clean your hand soap dispenser to prevent residue buildup and ensure optimal pump function. Rinse the dispenser thoroughly with water before refilling with new soap.
- **Spill Cleanup:** In case of spills, wipe immediately with a damp cloth. The soap is biodegradable, but prompt cleanup prevents slippery surfaces.

6. TROUBLESHOOTING

- **Dispenser Not Pumping:**
 - Ensure the pump mechanism is fully screwed onto the dispenser bottle.
 - Check if the pump's straw is submerged in the soap and not blocked.
 - If the dispenser has been unused for a while, prime the pump by pressing it several times until soap dispenses.
 - If the dispenser is old or damaged, consider replacing it.
- **Soap Leaking from Pouch:**
 - Ensure the cap on the refill pouch is tightly secured after each use.
 - Inspect the pouch for any punctures or damage. If damaged, transfer contents to a sealed container if possible, or dispose of responsibly.
- **Soap Consistency Issues:**
 - This liquid hand soap is designed for standard liquid soap dispensers. Do not dilute the soap unless specifically instructed by the dispenser manufacturer.
 - Ensure the soap has not been exposed to extreme temperatures, which can affect consistency.

7. SAFETY INFORMATION

- **For External Use Only:** Do not ingest.
- **Avoid Eye Contact:** In case of contact with eyes, rinse thoroughly with water for several minutes. If irritation persists, seek medical attention.
- **Keep Out of Reach of Children and Pets:** Store in a secure location.
- **Allergies:** If skin irritation occurs, discontinue use. Consult a healthcare professional if

irritation persists.

- **Disposal:** Dispose of the empty pouch responsibly according to local recycling guidelines. The pouch is designed to be recyclable where facilities exist.

8. SPECIFICATIONS

Brand	Everspring
Model Number (ASIN)	B08XYBFJRQ
UPC / GTIN	077443803345
Scent	Lavender & Bergamot
Item Package Quantity	1 pouch
