Premium-Plus PGS930YPFS

Premium Plus Stove Protectors User Manual

Model: PGS930YPFS

PRODUCT OVERVIEW

Image: Premium Plus Stove Protectors installed on a GE gas range.

The Premium Plus Stovetop Protector Liners are designed to keep your gas stovetop clean and protected. These custom-cut liners are heat resistant up to 500 degrees Fahrenheit and are made in the USA. They offer an easy solution for maintaining a pristine cooking surface by simplifying cleanup.

This product includes three customized stovetop protector liners, a lifetime warranty card, and detailed care instructions.

KEY FEATURES

- **Custom Fit:** Specifically tailored for GE Gas Range Model PGS930YPFS.
- **Heat Resistant:** Designed to withstand temperatures up to 500°F (260°C), protecting the metal surface of your stovetop.
- **Durable Material:** Made in the USA, ensuring quality and longevity.
- **Easy to Clean:** Reusable, dishwasher safe, and can also be hand-washed.
- **Simple Installation & Removal:** Composed of three pieces for quick placement and removal.
- **Safety Assured:** PFOA & BPA Free, eco-friendly materials.

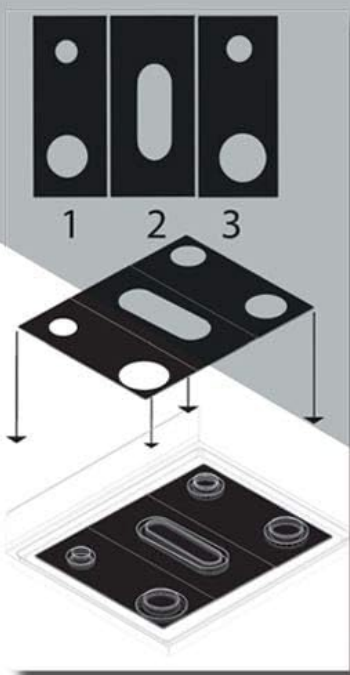

- **Lifetime Warranty:** Backed by a 100% satisfaction guarantee.

SETUP AND INSTALLATION

Follow these steps to properly install your Premium Plus Stove Protectors:

1. Ensure your stovetop is cool and clean before installation.
2. Remove all grates and burner caps from your gas stovetop.
3. Identify the three sections of the protector liners. There is typically a middle section and two side sections.
4. Carefully align and place the middle section first, followed by the two side sections. Ensure all pieces overlap on your stovetop for complete protection.
5. Once the liners are in place, reassemble the burner caps and grates.

MAINTENANCE AND CLEANING

The Premium Plus Stove Protectors are designed for easy cleaning, ensuring your stovetop remains spotless with minimal effort.

- For localized spills, simply remove the affected liner piece.
- Wipe away spills and grease with a damp sponge or cloth.
- Alternatively, the liners are dishwasher safe. Place them on the top rack of your dishwasher for convenient cleaning.
- Ensure liners are dry before reinstalling them on the stovetop.

TROUBLESHOOTING

- **Liner does not fit:** Ensure you have the correct model number for your GE gas range. These liners are custom-cut for model PGS930YPFS. Refer to the "GE Model Number Locator" image to find your stove's model number.
- **Liners move around:** Ensure all three pieces are properly overlapped and the grates are securely reinstalled. The weight of the grates helps to keep the liners in place.
- **Stains not coming off:** For stubborn stains, a gentle non-abrasive cleaner can be used. Avoid harsh chemicals or abrasive scrubbing pads that could damage the liner material.

GE MODEL NUMBER LOCATOR

Slide-In Ranges: The model and serial numbers are located either behind the storage drawer on the left or right side of the oven frame or on the right side of the bottom oven frame.

Double Oven Ranges: The model and serial numbers are located behind the control panel.
