

Tribesigns 1279F

Tribesigns 94.5 inch Double Computer Desk User Manual

Model: 1279F

INTRODUCTION

Thank you for choosing the Tribesigns 94.5 inch Double Computer Desk. This extra-long two-person desk is designed to provide a spacious and organized workspace for two individuals, making it ideal for home offices, study areas, or shared workspaces. It features integrated storage, including monitor risers, lower storage shelves, and a 3-tier printer stand, to help keep your essentials within reach and your area clutter-free. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure a long and satisfactory experience with your new desk.

SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always assemble the desk according-to the provided instructions.
- Ensure the desk is properly anchored to the floor if necessary, to prevent tipping.
- Do not exceed the weight limit of 95 pounds on the desk top to maintain stability and safety.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Use caution when moving the assembled desk; it is heavy and may require two people.

PRODUCT SPECIFICATIONS

Feature	Detail

Item Weight	95 Pounds

Special Features	CPU stand, Monitor Stand, Printer Shelf
Storage Options	2 lower shelves, 3-tier printer stand
Assembly Required	Yes
Recommended Assembly People	2
Included Components	Desk components, User Manual, Assembly Tools

SETUP AND ASSEMBLY

The Tribesigns Double Computer Desk is designed for straightforward assembly. It is recommended that two people assemble the desk for ease and safety. Please ensure all parts are present before beginning.

Package Contents:

Your desk will arrive in two separate packages. Please ensure you have received both before starting assembly. Each package contains clearly labeled parts and hardware.

Assembly Steps:

- Unpack and Identify Parts:** Carefully unpack all components from both boxes. Lay them out on a clean, soft surface to prevent scratches. Refer to the included parts list to identify each piece and ensure nothing is missing.
- Assemble the Metal Frames:** Begin by assembling the main metal frames for the two individual desk sections. Follow the numerical or alphabetical order provided in the instruction manual that came with your product.
- Attach Desk Tops:** Securely attach the main desk tops to the assembled metal frames using the provided screws and tools.
- Install Monitor Risers:** Attach the monitor risers to the designated positions on each desk top. These risers elevate your screens for ergonomic viewing.
- Assemble and Integrate the Printer Stand:** Assemble the 3-tier printer stand separately. Once assembled, integrate it between the two desk sections, connecting them to form the complete double workstation.
- Add Lower Storage Shelves:** Install the lower storage shelves beneath each desk section. These provide additional space for books, files, or other office supplies.
- Final Tightening and Stability Check:** Once all components are assembled, gently tighten all screws to ensure the desk is stable and secure. Do not overtighten.

OPERATING INSTRUCTIONS

The Tribesigns Double Computer Desk is designed for versatile use in a home office or study environment.

- **Dual Workstation Use:** The desk provides two distinct work areas, allowing two individuals to work simultaneously without crowding. Each side is equipped with a monitor riser for comfortable viewing.
- **Storage Utilization:**
 - *Monitor Risers:* Use these elevated platforms for your computer monitors, laptops, or other display devices to promote better posture.
 - *Lower Storage Shelves:* These shelves are ideal for storing books, binders, office supplies, or decorative items.
 - *3-Tier Printer Stand:* The central stand is perfect for housing a printer, scanner, or additional storage bins. The bottom tier can also accommodate a CPU tower.
- **Cable Management:** While not explicitly designed with cable management features, cables can be routed discreetly behind the monitor risers and along the metal frame to maintain a tidy workspace.

MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Tribesigns desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the finish. For stubborn marks, a mild soap solution can be used, followed by drying with a clean cloth.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood surfaces.
- **Heat and Moisture:** Avoid placing hot items directly on the desk surface. Use coasters for drinks to prevent water rings.
- **Sunlight Exposure:** Prolonged exposure to direct sunlight may cause fading or discoloration. Position the desk away from direct sunlight if possible.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary, but do not overtighten.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose screws or uneven floor.	Ensure all screws are securely tightened. Adjust the leveling feet (if present) on the bottom of the desk legs to compensate for uneven flooring.
Parts do not align during assembly.	Incorrect orientation of parts or overtightened screws.	Double-check the assembly instructions for correct part orientation. Loosen screws slightly, align parts, then retighten. Do not force parts together.
Missing hardware or damaged parts upon arrival.	Shipping issue or packaging error.	Contact Tribesigns customer service immediately with your order details and a description of the missing/damaged items. They will assist with replacements.
Desk surface scratches easily.	Sharp objects or abrasive cleaning.	Avoid dragging sharp objects across the surface. Use desk pads or mouse pads. Clean with soft cloths only.

WARRANTY AND SUPPORT

Tribesigns is committed to providing high-quality products.
