WHAT'S IN THE BOX

Verify that all items are present in the package:

- Redmi SonicBass Bluetooth Earphones
- User Manual
- Eartips (6 units)

SETUP

1. Charging the Earphones

Before first use, fully charge the earphones. Connect the micro-USB charging cable (not included) to the charging port on the neckband and to a power source. The LED indicator will show charging status.

- **Charging Time:** Approximately 2 hours for a full charge.
- **Battery Reminder:** The earphones will provide a low battery reminder when the charge drops to 20%.

2. Initial Bluetooth Pairing

1. Ensure the earphones are powered off.
2. Press and hold the multi-function button until the LED indicator flashes red and blue, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "Redmi SonicBass" from the list of devices.
5. Once connected, the LED indicator will turn blue.

3. Multi-Point Dual Pairing

The Redmi SonicBass supports connecting to two devices simultaneously, allowing seamless switching between them.

Image: Illustration of the multi-point dual pairing feature, allowing connection to two devices.

1. Pair the earphones with the first device as described in "Initial Bluetooth Pairing".
2. Disable Bluetooth on the first device. The earphones will re-enter pairing mode.
3. Pair the earphones with the second device.
4. Re-enable Bluetooth on the first device. The earphones should automatically connect to both devices.
5. To switch between devices, simply play audio or answer a call on the desired device.

OPERATING INSTRUCTIONS

Multi-Function Button Controls

The multi-function button provides quick access to various controls:

9.2mm

Superbass Drivers

Elevate your audio experience with the extra bass of Redmi Sonic Bass. The 9.2mm dynamic driver delivers an impressive sound quality and bass response for an optimal listening experience

Image: Close-up of the earphone controls, highlighting the multi-function button and voice assistance capability.

- **Power On/Off:** Press and hold for 3 seconds.
- **Play/Pause Music:** Single press.
- **Answer/End Call:** Single press during an incoming call or active call.
- **Reject Call:** Press and hold for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Double press.
- **Switch Between Calls:** Double press during an active call with another incoming call.
- **Mute/Unmute Call:** Triple press during an active call.

Volume and Track Control

- **Volume Up:** Short press the '+' button.
- **Volume Down:** Short press the '-' button.
- **Next Track:** Long press the '+' button.
- **Previous Track:** Long press the '-' button.

FEATURES

- **12-Hour Battery Life:** Enjoy up to 12 hours of continuous music playback or call time on a single charge.
- **Dual-Mic Noise Cancellation (ENC):** The integrated dual microphones suppress environmental noise, ensuring clear voice transmission during calls.

12

hours

music playback

Enjoy up to 12 hours of uninterrupted streaming.

- **IPX4 Splash & Sweat Proof:** Designed to withstand splashes and sweat, making them suitable for workouts and outdoor activities.

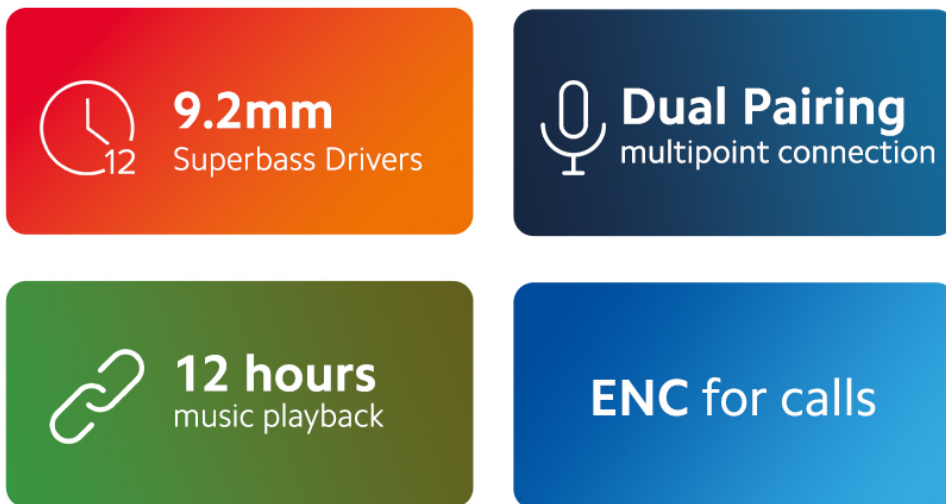

Image: Redmi SonicBass earphones shown in a context suitable for workouts, highlighting their IPX4 splash and sweat-proof rating.

- **Lightweight Neckband with Flexi-Arc Design:** Provides comfort and stability for extended wear.
- **Bluetooth 5.0:** Ensures a fast and stable wireless connection with compatible devices.
- **Voice Assistant Support:** Compatible with Android and iOS voice assistants.

MAINTENANCE

Cleaning

- Regularly clean the earbuds and eartips with a soft, dry, lint-free cloth.
- Remove eartips and clean any earwax or debris from the speaker mesh using a small, soft brush.
- Do not use harsh chemicals, cleaning solvents, or strong detergents.

Storage

- Store the earphones in a cool, dry place away from direct sunlight and extreme temperatures.
- Avoid storing with sharp objects that could damage the cables or earbuds.

Water Resistance

The earphones are IPX4 rated, meaning they are resistant to splashing water from any direction. They are not designed for submersion in water or exposure to pressurized water jets. Do not use them while swimming or showering.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cannot power on	Low battery	Charge the earphones fully.

Problem	Possible Cause	Solution
Cannot pair with device	Earphones not in pairing mode; Bluetooth off on device; device too far	Ensure earphones are in pairing mode (flashing red/blue). Turn on Bluetooth on your device. Move device closer to earphones.
No sound or poor sound quality	Volume too low; earphones not connected; debris in earbuds	Increase volume on earphones and device. Reconnect earphones. Clean earbuds and speaker mesh.
Calls are unclear (for receiver)	Excessive environmental noise	Move to a quieter environment. Ensure microphones are not obstructed.
Earphones disconnect frequently	Device too far; interference; low battery	Move closer to the connected device. Avoid strong electromagnetic interference. Charge earphones.
