RHYTHM 9ZF031RH03 Portable Fan User Manual

Model: 9ZF031RH03

INTRODUCTION

Thank you for choosing the RHYTHM 9ZF031RH03 Portable Fan. This compact and lightweight fan is designed for personal cooling, featuring a double inverted fan structure for powerful airflow and quiet operation. It includes a built-in stand for versatile use as both a handheld and desktop fan. This manual provides essential information for the safe and efficient operation of your device.

Image: The RHYTHM 9ZF031RH03 Portable Fan in white, shown being held by a person outdoors, demonstrating its portability.

Key features include a DC brushless motor, a 2,000 mAh lithium-ion battery for extended use, and a USB Type-C charging port. Please read this manual thoroughly before use.

SETUP

Charging the Fan

1. Locate the USB Type-C input terminal on the fan.
2. Connect the provided USB Type-C to Type-A cable (11.8 inches / 30 cm) to the fan and a compatible USB power source (DC 5V/500mA).
3. The charging time is approximately 6 hours when the fan is powered off.
4. **Important:** USB Power Delivery (USB PD) is not supported. Connecting to a USB PD charger may

cause the indicator lamp to light up, but the fan will not charge. Ensure your power source provides 5V/500mA.

Using the Built-in Stand

The fan features a built-in stand with 4 levels of adjustment, allowing it to be used as a desktop fan.

1. Gently pull out the stand from the back of the fan.
2. Adjust the stand to one of the four desired angles for stable placement on a flat surface.

OPERATING INSTRUCTIONS

Power On/Off and Speed Adjustment

The fan is operated using a single button located on the handle.

1. **To Power On:** Press the button once. The fan will start at the lowest speed setting.
2. **To Adjust Speed:** Press the button repeatedly to cycle through the 4 speed settings: Weak, Medium, Strong, and Turbo.
3. **To Power Off:** Press and hold the button at any time to turn the fan off directly. Alternatively, cycle

through all speed settings, and the fan will turn off after the Turbo setting.

Usage Modes

- **Handheld Fan:** Hold the fan by its handle for portable cooling.
- **Desktop Fan:** Utilize the built-in 4-level adjustable stand to place the fan on a flat surface, such as a desk or table.

Battery Life (Approximate from full charge)

- **Weak:** 10 hours
- **Medium:** 5 hours
- **Strong:** 2 hours
- **Turbo:** 0.5 hours (30 minutes)

※1 充電式で最大10時間運転

小型・軽量で大容量のリチウムイオン電池を採用。
繰り返し充電(約300回)が可能です。最大10時間(弱運転時)
の運転が可能です。

MAINTENANCE

Cleaning

- Ensure the fan is turned off and disconnected from any power source before cleaning.
- Wipe the exterior of the fan with a soft, dry cloth.
- For dust accumulation on the fan blades or grille, use a soft brush or compressed air. Do not use water or harsh cleaning agents.

Storage

When not in use for extended periods, store the fan in a cool, dry place, away from direct sunlight and extreme temperatures. Ensure the battery is partially charged (around 50%) before storage to prolong its lifespan.

TROUBLESHOOTING

- **Fan does not turn on:** Ensure the battery is charged. Connect the fan to a power source using the correct USB Type-C cable and charger (5V/500mA).
- **Fan does not charge:** Verify that your charger is not a USB Power Delivery (USB PD) type. The fan

requires a standard 5V/500mA USB charger. If the lamp lights up but charging does not occur, the charger may be incompatible.

- **Reduced airflow:** Check for any obstructions around the fan grille. Ensure the fan blades are clean.
- **Unusual noise:** Turn off the fan and inspect for any foreign objects caught in the blades or grille. If the noise persists, discontinue use and contact customer support.

SPECIFICATIONS

Model Number	9ZF031RH03
Brand	RHYTHM
Dimensions (H x W x D)	16.2 x 8.5 x 3.9 cm (6.4 x 3.3 x 1.5 inches)
Weight	0.19 kg (0.42 lbs)
Power Source	Rechargeable Lithium-ion Battery (2,000 mAh)
Input Terminal	USB Type-C (DC 5V/500mA)
Charging Time	Approx. 6 hours (when power off)
Motor Type	DC Brushless Motor
Fan Structure	Double Inverted Fan
Speed Settings	4 (Weak, Medium, Strong, Turbo)
Stand	Built-in, 4-level adjustable
Included Components	USB Cable TYPE-C-A (30 cm), User Manual
Material	Plastic

SAFETY INFORMATION

- This product is not intended for use as a baby fan. Do not use with strollers.
- Do not insert fingers or any objects into the fan grille while it is operating.
- Keep the fan away from water and high humidity.
- Do not disassemble or attempt to repair the fan yourself. Contact qualified personnel for service.
- Avoid exposing the fan to direct sunlight or high temperatures for extended periods.

WARRANTY AND SUPPORT

RHYTHM products are manufactured to high-quality standards. For any questions, concerns, or technical support regarding your 9ZF031RH03 Portable Fan, please refer to the contact information provided with your purchase documentation or visit the official RHYTHM website.

Please retain your proof of purchase for any warranty claims.
