Daiso Petit Block Stegosaurus Assembly Instructions and User Guide

Model: E001

1. INTRODUCTION

This manual provides essential instructions for the assembly, care, and safe use of your Daiso Petit Block Stegosaurus building set. The Petit Block series features miniature building blocks designed for detailed model creation. Please read this guide thoroughly before beginning assembly.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years old.

- This product contains small parts which may pose a choking hazard. Keep out of reach of infants and young children.
- Recommended age for assembly is 12 years and up. Adult supervision is advised for younger users.
- Do not put blocks in mouth or ingest.
- Dispose of packaging materials properly and keep them away from children.
- This product is intended for recreational building purposes only. Do not use for any other unintended purposes.

Figure 1: Back of the product packaging, highlighting safety warnings and product details. Note the choking hazard warning for small parts.

3. PACKAGE CONTENTS

Your Daiso Petit Block Stegosaurus set includes:

- Assorted miniature ABS plastic building blocks (various shapes and colors).
- One (1) instruction sheet with assembly diagrams.

Figure 2: Front of the product packaging, displaying the Stegosaurus model and the small block pieces within.

4. ASSEMBLY INSTRUCTIONS

The Daiso Petit Block Stegosaurus is a mini block assembly kit. Follow the detailed diagrams provided on the instruction sheet included in your package.

1. **Preparation:** Unpack all blocks and the instruction sheet. Organize blocks by color or shape if desired to facilitate assembly.
2. **Follow Diagrams:** Refer to the step-by-step visual instructions on the included sheet. Each step will show which blocks to use and where to place them.
3. **Precision:** Due to the small size of the blocks, careful placement is necessary. Ensure each block is firmly connected to the adjacent blocks.
4. **Review:** After completing each major section, compare your build to the diagram to ensure accuracy before proceeding.
5. **Completion:** Once all steps are followed, your Stegosaurus model will be complete.

Note: If you find the printed instructions challenging, online resources or video tutorials for Petit Block assembly may be available from the manufacturer or community. Search using the product name "Daiso Petit Block Stegosaurus" or model number "E001".

5. CARE AND MAINTENANCE

- **Cleaning:** To clean the blocks, gently wipe them with a dry, soft cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or loose blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Handling:** Handle the assembled model with care, as small connections can be delicate.

6. TROUBLESHOOTING

- **Missing Pieces:** Carefully check the packaging and surrounding area for any small blocks that may have been overlooked. If pieces are genuinely missing, contact the retailer or manufacturer for assistance.
- **Difficulty Assembling:** Ensure you are following the instruction diagrams precisely. Sometimes rotating a block or trying a different angle can help. Refer to the images on the packaging for a visual reference of the completed model.
- **Loose Connections:** Ensure blocks are pressed firmly together. If a connection remains loose, check if the correct block type is being used as per the instructions.

7. SPECIFICATIONS

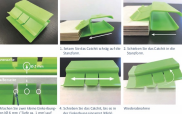

Product Name	Daiso Petit Block Stegosaurus
Model Number	E001
Brand	Daiso
Material	ABS Plastic
Recommended Age	12 years and up
Product Dimensions (Package)	1 x 3.5 x 6.6 inches (2.54 x 8.89 x 16.76 cm)
Item Weight (Package)	1.13 ounces (32 grams)
Manufacturer	DAISO
UPC/EAN	4549131712124

8. WARRANTY AND SUPPORT

Daiso Petit Block products are typically sold as novelty or craft items. Specific warranty information for individual blocks or sets is generally not provided. For issues such as missing pieces or product defects, please contact the retailer where the product was purchased. For general inquiries about Daiso products, you may visit the official Daiso website or contact their customer service.

Note: Always retain your proof of purchase for any potential inquiries.
