

Luxform Samba LED Table Lamp

Luxform Samba LED Solar Table Lamp User Manual

Model: LF1182

1. INTRODUCTION

Thank you for purchasing the Luxform Samba LED Solar Table Lamp. This solar-powered lamp is designed to provide decorative illumination for your outdoor spaces. It features an integrated solar panel that charges a rechargeable battery during the day, automatically lighting up at dusk. Please read this manual carefully before installation and use to ensure proper operation and longevity of your product.

2. SAFETY INSTRUCTIONS

- This product is intended for outdoor decorative lighting. Do not use it for any other purpose.
- Keep the lamp away from open flames and extreme heat sources.
- Do not attempt to disassemble or modify the lamp. This may void the warranty and pose a safety risk.
- The integrated battery is not user-replaceable. Do not attempt to replace the battery.
- Dispose of the product and its battery responsibly according to local regulations.
- Ensure the solar panel is clean and free from obstructions for optimal charging.

3. PACKAGE CONTENTS

Please check the package to ensure all components are present:

- 1 x Luxform Samba LED Solar Table Lamp unit
- 1 x User Manual

4. SETUP

1. **Unpack the Lamp:** Carefully remove the lamp from its packaging.
2. **Activate the Lamp:** Locate the ON/OFF switch, usually found near the solar panel or at the base of the lamp. Slide the switch to the 'ON' position.
3. **Initial Charge:** Place the lamp in a location where the solar panel receives direct sunlight for at least 24-48 hours before its first use. This ensures the internal battery is fully charged.
4. **Placement:** Position the lamp in an outdoor area where the solar panel can receive maximum direct sunlight throughout the day. Avoid shaded areas, as this will reduce charging efficiency and illumination time.

5. OPERATING INSTRUCTIONS

Once activated and sufficiently charged, the Luxform Samba LED Solar Table Lamp operates automatically:

- **Automatic Operation:** The built-in light sensor will detect when it gets dark and automatically turn the lamp on.
- **Charging:** During daylight hours, the solar panel converts sunlight into electricity, charging the internal rechargeable battery.
- **Illumination:** The lamp will illuminate for approximately 6-8 hours on a full charge, depending on the amount of sunlight received during the day.
- **Turning Off:** The lamp will automatically turn off at dawn or when the battery is depleted.

6. MAINTENANCE

To ensure optimal performance and extend the lifespan of your solar lamp, follow these maintenance guidelines:

- **Clean the Solar Panel:** Regularly wipe the solar panel with a soft, damp cloth to remove dust, dirt, and debris. A clean panel ensures efficient charging.
- **Clean the Lamp:** Clean the lamp's body with a soft, dry or slightly damp cloth. Do not use abrasive cleaners or solvents.
- **Winter Storage:** During prolonged periods of low sunlight or cold weather, it is recommended to store the lamp indoors. Ensure the switch is in the 'OFF' position before storage.
- **Battery:** The integrated battery is designed for the product's lifespan and is not intended for user replacement.

7. TROUBLESHOOTING

If your Luxform Samba LED Solar Table Lamp is not functioning as expected, please refer to the following common issues and solutions:

- **Lamp does not light up at night:**
 - Ensure the ON/OFF switch is in the 'ON' position.
 - Verify the solar panel is clean and free from obstructions.
 - Confirm the lamp is placed in an area that receives direct sunlight for at least 6-8 hours daily.
 - Allow for an initial charge of 24-48 hours in direct sunlight.
- **Lamp lights up for a short period or is dim:**
 - The solar panel may not be receiving enough direct sunlight to fully charge the battery. Relocate the lamp to a sunnier spot.
 - The solar panel may be dirty. Clean it as described in the Maintenance section.
 - Weather conditions (e.g., cloudy days) can affect charging efficiency.

8. SPECIFICATIONS

Feature	Specification
Brand	Luxform
Model Number	LF1182
Product Dimensions	21.8 x 21.8 x 32 cm
Weight	765 g
Material	Plastic, Metal
Voltage	1.2 Volt
ASIN	B08Y922GRM

9. WARRANTY INFORMATION

For detailed warranty information, please refer to the warranty card included with your purchase or visit the official Luxform website. Please retain your proof of purchase for any warranty claims.

10. CUSTOMER SUPPORT
