### Cleaning Instructions:

1. **Remove Insoles:** Take out the removable memory foam insoles before washing.
2. **Machine Wash (Cold):** Place the shoes in a washing machine on a cold, gentle cycle. It is recommended to use a laundry bag to protect the shoes.
3. **Mild Detergent:** Use a small amount of mild liquid detergent. Avoid bleach or harsh chemicals.
4. **Air Dry:** After washing, allow the shoes to air dry completely. Do not tumble dry or expose to direct heat, as this can damage the materials.
