LEGO 10774

LEGO Disney Mickey and Friends Mickey Mouse & Minnie Mouse's Space Rocket 10774 Building Kit Instruction Manual

Model: 10774 | Brand: LEGO

INTRODUCTION

This instruction manual provides detailed guidance for assembling and enjoying your LEGO Disney Mickey and Friends Mickey Mouse & Minnie Mouse's Space Rocket (10774) building kit. Designed to boost imagination and develop essential building skills, this set allows children aged 4 and up to join Disney's Mickey Mouse and Minnie Mouse on an exciting space adventure. The kit features an opening rocket ship, a space station, and various accessories for engaging role-play.

SAFETY INFORMATION

Please read and understand all safety information before beginning assembly or play.

- **WARNING: CHOKING HAZARD.** Toy contains small parts and a small ball. Not for children under 3 years.
- Adult supervision is recommended during assembly and play, especially for younger children.
- Keep all packaging materials away from children to prevent suffocation.

WHAT'S IN THE BOX

Your LEGO Disney Mickey Mouse & Minnie Mouse's Space Rocket kit contains 88 pieces, including:

- LEGO Building Elements for the space rocket and space station.

- Mickey Mouse minifigure in a space suit.
- Minnie Mouse minifigure in a space suit.
- An exclusive Mickey silhouette tile.
- Various accessories such as a camera, a small flag build, and a large rock that opens to reveal an alien figure.
- Instruction booklet with simple picture instructions.

SETUP AND ASSEMBLY

The LEGO Disney Mickey Mouse & Minnie Mouse's Space Rocket set is designed for easy assembly, especially for young builders aged 4 and up, thanks to its Starter Brick elements. Follow the step-by-step picture instructions provided in the booklet or use the Instructions PLUS feature in the free LEGO Building Instructions app for an interactive building experience.

1. **Unpack and Sort:** Open the box and sort the LEGO bricks into piles by color or type to make them easier to find.

Each bag of bricks contains a complete model that kids can build quickly.

2. **Begin with Starter Bricks:** The rocket and space station include larger Starter Bricks elements, which provide a solid foundation and simplify the initial building steps.
3. **Assemble the Space Rocket:** Construct the opening rocket ship. The rocket measures over 5.5 inches (15 cm) high and 2.5 inches (7 cm) long.
4. **Build the Space Station:** Assemble the space station, which features a control panel and a radar dish.
5. **Add Minifigures and Accessories:** Place Mickey and Minnie Mouse minifigures into their respective positions. Integrate the camera, flag, and the opening rock with the alien figure to enhance the play experience.

OPERATING INSTRUCTIONS AND PLAY FEATURES

Once assembled, the LEGO Disney Mickey Mouse & Minnie Mouse's Space Rocket set offers numerous opportunities for imaginative play. Encourage children to create their own space adventures with Mickey and Minnie.

- **Rocket Launch:** Place Mickey or Minnie inside the opening rocket ship and prepare for launch from the space station.
- **Space Exploration:** Use the space station's control panel to guide the rocket through imaginary space.
- **Alien Discovery:** Open the large rock accessory to reveal the hidden alien figure, adding an element of surprise to the adventure.
- **Role-Play:** Utilize the camera and flag accessories to document space discoveries and plant the flag on new planets.

MAINTENANCE

To ensure the longevity and cleanliness of your LEGO set, follow these simple maintenance tips:

- **Cleaning:** To clean LEGO bricks, wipe them with a damp cloth or wash them by hand in water no warmer than 104°F (40°C) using a mild detergent. Rinse thoroughly with clear water and air dry at room temperature. Do not use hot water, washing machines, or dryers, as this can damage the bricks.
- **Storage:** Store your LEGO set in a cool, dry place away from direct sunlight to prevent discoloration and warping. Keep bricks organized to avoid loss.
- **Handling:** Handle the set with care to prevent pieces from breaking or becoming loose.

TROUBLESHOOTING

If you encounter any issues with your LEGO Disney Mickey Mouse & Minnie Mouse's Space Rocket set, consider the following:

- **Missing Pieces:** If you find a piece is missing, first double-check all packaging and sorting areas. If a piece is genuinely missing, contact LEGO Customer Service for assistance.
- **Assembly Difficulties:** Refer to the instruction booklet or the LEGO Building Instructions app. Ensure all steps are followed precisely. Sometimes, a small error early in the build can affect later steps.
- **Loose Connections:** Ensure pieces are firmly pressed together. LEGO bricks are designed to fit snugly.

SPECIFICATIONS

Product Name	LEGO Disney Mickey and Friends Mickey Mouse & Minnie Mouse's Space Rocket
Model Number	10774 (Item model number: 6332905)
Brand	LEGO
Number of Pieces	88
