nanoblock Dragon Ball Z Son Goku Charanano Series Building Kit Instruction Manual

1. Introduction

Thank you for choosing the nanoblock Dragon Ball Z Son Goku Charanano Series Building Kit. This kit allows you to construct a detailed miniature model of Son Goku from the Dragon Ball Z series using nanoblocks, which are significantly smaller than standard building blocks. This manual provides essential information for assembly, care, and understanding your new building kit.

2. Safety Information

WARNING: CHOKING HAZARD - Small Parts.
This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger builders. Keep all components away from infants and pets to prevent accidental ingestion.

3. Package Contents

Your nanoblock Dragon Ball Z Son Goku Charanano Series Building Kit includes:

- nanoblock - Son Goku [Dragon Ball Z] building pieces
- Detailed step-by-step instruction manual

4. Assembly Instructions

The nanoblock Son Goku kit consists of approximately 300 pieces. The difficulty level for this model is rated as 3 out of 5, making it suitable for builders aged 15 and above. Please follow the included detailed step-by-step instructions carefully for optimal assembly.

4.1 Preparation

1. Unpack all components from the box.
2. Organize the nanoblock pieces by color or shape as suggested in the instruction manual to facilitate easier

building.

3. Ensure you have a clean, well-lit, and stable surface for assembly.

4.2 Building Process

Refer to the dedicated instruction booklet provided within the kit. Each step is illustrated to guide you through the construction of the Son Goku figure. Pay close attention to the orientation and placement of each block, as nanoblocks are very small (as small as 4mm x 4mm x 5mm) and precise placement is crucial for the final appearance.

This image displays the fully assembled nanoblock Son Goku figure from the Dragon Ball Z Charanano Series. The figure is depicted in a dynamic action pose, preparing to launch a blue energy blast from its hands. It stands on a clear base, showcasing the intricate detail achieved with nanoblocks.

5. Display and Handling

Once assembled, your nanoblock Son Goku figure is designed for display. Handle the model with care to prevent pieces from detaching. The clear base provides stability for showcasing your completed creation.

6. Maintenance

To keep your nanoblock model in good condition:

- **Cleaning:** Gently dust the model with a soft brush or a can of compressed air. Avoid using water or harsh cleaning agents, as these may damage the plastic or loosen connections.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss, especially given their small size.
- **Environment:** Avoid prolonged exposure to direct sunlight or extreme temperatures, which can cause discoloration or warping of the plastic blocks.

7. Troubleshooting

7.1 Missing Pieces

While rare, if you find any pieces missing from your kit, please refer to the contact information provided by the manufacturer or authorized distributor (Bluefin in the U.S. Markets) for assistance. Ensure you have thoroughly checked all packaging before contacting support.

7.2 Difficulty with Assembly

If you encounter difficulty during assembly:

- Double-check the instruction manual for the specific step.
- Ensure blocks are oriented correctly and pressed firmly into place.
- Take a break and return to the assembly with fresh eyes.
