ICO Bath V971 Volkano

ICO Bath V971 Volkano Acrylic Bathroom Stool User Manual

Model: V971 Volkano | Brand: ICO Bath

1. INTRODUCTION

This manual provides essential information for the safe and effective use of your ICO Bath V971 Volkano Acrylic Bathroom Stool. Please read these instructions carefully before use and retain them for future reference. This stool is designed for use in bathroom and shower environments, offering a practical and durable seating solution.

2. PRODUCT FEATURES

- **Material:** Crafted from modified acrylic, specifically designed to withstand use in wet areas.
- **Finish:** Durable white finish.
- **Stability:** Equipped with non-slip feet for secure placement.
- **Assembly:** No assembly required.
- **Weight Capacity:** Supports a maximum weight of 375 lbs.
- **Dimensions:** Approximately 16 inches (width) x 12 inches (depth) x 17 inches (height).

3. SETUP AND PLACEMENT

3.1 Assembly

The ICO Bath V971 Volkano Acrylic Bathroom Stool requires no assembly. It is ready for immediate use

upon unboxing.

3.2 Placement

Place the stool on a flat, stable, and level surface. It is suitable for indoor use only, including bathrooms and shower areas. Ensure all four non-slip feet are firmly in contact with the floor before use to prevent movement.

4. OPERATING INSTRUCTIONS

The ICO Bath Volkano stool is designed to provide a stable and comfortable seating option. Before each use, verify the stool is stable and positioned securely on a flat surface. Do not exceed the maximum weight capacity of 375 lbs. Avoid standing on the stool or using it as a step stool.

5. MAINTENANCE AND CARE

To maintain the appearance and longevity of your acrylic bathroom stool, follow these care instructions:

- **Cleaning:** Wipe the stool regularly with a soft, damp cloth.
- **Drying:** After cleaning, dry the surface with a clean, soft cloth to prevent water spots.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemical solvents (e.g., ammonia-based cleaners, window cleaners) as these can damage the acrylic finish. Mild soap and water are recommended for general cleaning.
- **Inspection:** Periodically inspect the stool for any signs of damage or wear, especially the non-slip feet.

6. TROUBLESHOOTING

This product is a simple, non-mechanical item, so troubleshooting is minimal.

- **Instability:** If the stool feels unstable, ensure it is placed on a completely flat and even surface. Check that all non-slip feet are present and making full contact with the floor.
- **Surface Damage:** If the acrylic surface appears scratched or dull, ensure only recommended cleaning methods and materials are used.
