OPERATING INSTRUCTIONS

Basic Operation (Manual Control)

1. **Power On/Off:** Press and hold the power button on the device or remote control for 2 seconds to turn it on or off.
2. **Adjusting Intensity:** Use the '+' and '-' buttons on the device or remote to increase or decrease vibration intensity.
3. **Changing Patterns:** Press the wave button on the device or remote to cycle through different vibration patterns.

App Control

Once connected to the Satisfyer Connect App, you can access a wider range of functions:

- **Remote Control:** Use your smartphone as a remote to control the device.
- **Vibration Creator:** Design and save custom vibration patterns.
- **Playlist Stimulation:** Sync vibrations to your favorite music.

- **Ambient Vibrations:** Respond to ambient sounds.
- **Partner Control:** Allow a partner to control your device remotely.

Usage for Couples

The U-shaped design allows for simultaneous stimulation during intimate moments. Position one shaft to stimulate the clitoris and the other internally for G-spot massage. Experiment with different positions to find what is most comfortable and pleasurable for both partners.

MAINTENANCE AND CARE

Cleaning

Clean the device thoroughly after each use. Use warm water and a mild, toy-friendly soap or a specialized toy cleaner. Rinse thoroughly and allow to air dry completely before storing. Avoid using harsh chemicals, alcohol, or petroleum-based cleaners, as these can damage the silicone material.

Storage

Store the Satisfyer Double Love in a clean, dry place away from direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent potential damage or reactions.

TROUBLESHOOTING

- **Device not turning on:** Ensure the device is fully charged. Connect it to the magnetic USB charging cable and allow it to charge for at least 30 minutes before attempting to power on again.
- **Vibrations are weak:** The battery might be low. Recharge the device.
- **App not connecting:**
 - a. Ensure Bluetooth is enabled on your smartphone.
 - b. Make sure the device is powered on and within range of your phone.
 - c. Close and reopen the Satisfyer Connect App.
 - d. Restart your smartphone.
 - e. If issues persist, try unpairing and re-pairing the device in the app's settings.
- **Remote control not working:** Ensure the remote's battery is functional. If the remote uses replaceable batteries, check and replace them if necessary. If it's rechargeable, ensure it's charged.
