SETUP

1. **Charge Battery:** Before first use, fully charge the device using the provided USB cable and power adapter. The charging indicator light will show status.
2. **Power On:** Slide the 'ON/OFF' switch to the 'ON' position. The indicator light will illuminate.
3. **Placement:** Place the device on a stable surface or use the hanging rope to attach it to a suitable location like a stroller or crib.

OPERATING INSTRUCTIONS

1. **Sound Selection:** Short press the 'Previous Track' or 'Next Track' buttons to cycle through the 25 available sounds.
2. **Volume Adjustment:** Use the '+' button to increase volume and the '-' button to decrease volume. There are 32 levels of adjustment.
3. **Timer Function:** Long press the 'Timer' button to set the auto-off timer. Cycle through 15, 30, 60 minutes, or continuous play (indicated by an infinity symbol). The corresponding light will illuminate to show the selected timer.

4. **Headphone Use:** Plug your headphones into the 3.5mm headphone jack. The sound will automatically switch from the speaker to your headphones.

MAINTENANCE

- Keep the device clean by wiping with a soft, dry cloth.
- Avoid exposing the device to extreme temperatures, direct sunlight, or moisture.
- Store in a cool, dry place when not in use.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Low battery.	Charge the device fully.
No sound.	Volume too low or muted.	Increase volume using the '+' button.
Sound cuts out.	Timer set to auto-off.	Adjust timer setting to continuous play if desired.
