

Child Craft Redmond 4-in-1 Convertible Baby Crib

Child Craft Redmond 4-in-1 Convertible Baby Crib Instruction Manual

Model: Redmond 4-in-1 Convertible Baby Crib

Brand: Child Craft

1. INTRODUCTION AND SAFETY INFORMATION

Thank you for choosing the Child Craft Redmond 4-in-1 Convertible Baby Crib. This manual provides essential information for the safe assembly, use, maintenance, and conversion of your crib. Please read all instructions carefully before assembly and keep this manual for future reference.

Important Safety Warnings:

- Always ensure all parts are correctly assembled and tightened before use. Periodically check all fasteners for tightness.
- Do not use the crib if any parts are missing, damaged, or broken. Contact Child Craft for replacement parts.
- The mattress used with this crib must be at least 27 1/4 inches (69 cm) by 51 5/8 inches (131 cm) with a thickness not exceeding 6 inches (15 cm).
- To prevent falls, when the child is able to pull themselves to a standing position, the mattress support should be adjusted to the lowest position.
- Do not place the crib near windows where cords from blinds or drapes could strangle a child.
- Do not use this crib for a child who can climb out of it or who is taller than 35 inches (89 cm).
- This product is designed and engineered to meet or exceed applicable safety standards.

2. PRODUCT FEATURES

The Child Craft Redmond 4-in-1 Convertible Baby Crib is designed for versatility and durability, adapting to your child's growth stages.

- **4-in-1 Convertible Design:** Transforms from a crib to a toddler bed, daybed, and full-size bed.

Toddler guard rail and full-size bed rails are sold separately.

- **Classic Full Panel Design:** Features a full-panel headboard with a soft, sweeping arch and craftsman-style metal accents, providing a rustic nursery furniture style.
- **Adjustable Mattress Support:** Sturdy metal mattress support adjusts to 2 height positions to accommodate your growing infant and toddler. Compatible with the HALO Dreamweave Crib Mattress (sold separately).
- **Durable & Non-Toxic Finish:** Constructed from strong wood and veneers and finished with a non-toxic, baby-safe finish for durability, stability, and peace of mind.
- **Safety Tested:** All Child Craft cribs are designed and engineered to meet or exceed applicable safety standards, providing a secure and comfortable sleep environment for your baby.

3. PACKAGE CONTENTS

Please check the packaging carefully to ensure all components are present and undamaged. Refer to the parts list included in your product box for a complete inventory. If any parts are missing or damaged, do not proceed with assembly. Contact Child Craft customer support immediately.

4. SETUP INSTRUCTIONS

Assembly of the Child Craft Redmond 4-in-1 Convertible Baby Crib requires two adults. Follow the step-by-step instructions provided in the separate assembly guide included with your product. Ensure all hardware is securely fastened, but do not overtighten.

Image: A diagram detailing the dimensions of the crib: 56.5 inches in length, 30.25 inches in width, and 45 inches in height. This helps in planning nursery space.

5. OPERATING INSTRUCTIONS AND CONVERSIONS

The Redmond crib offers four configurations to adapt to your child's developmental stages. Always ensure the crib is empty and your child is not present during any conversion process.

5.1. Adjustable Mattress Height

The mattress support has two adjustable height positions. For newborns and younger infants, use the higher position for easier access. As your child grows and begins to push up on hands and knees or pull themselves to a standing position, immediately lower the mattress support to the lowest position to prevent climbing out.

Image: This image illustrates the two available mattress positions within the crib, designed to adjust as your child grows. It also highlights the durable pine wood construction.

5.2. 4-in-1 Conversion Overview

The crib can be converted into a toddler bed, daybed, and full-size bed. Each conversion requires specific additional parts (toddler guard rail F09514 and full-size bed rails F06424) which are sold separately. Refer to the detailed conversion instructions provided with your product for specific steps.

4-IN-1 CRIBS

Guard Rail (F09514)
sold separately

Bed Rails (F06424)
sold separately

5.3. Official Product Video

Your browser does not support the video tag.

Video: This is the official Child Craft Brand Video, showcasing various nursery furniture pieces and highlighting the brand's commitment to safety, quality, and design. It provides an overview of the product line and brand philosophy.

6. MAINTENANCE AND CARE

To maintain the quality and safety of your Child Craft Redmond crib, follow these care instructions:

- **Cleaning:** Wipe with a damp cloth. Avoid using abrasive cleaners or strong chemicals, as they may damage the finish.
- **Inspection:** Periodically inspect all screws, bolts, and other fasteners to ensure they are tight and secure. Do not overtighten.
- **Storage:** If storing the crib, ensure it is in a dry, temperature-controlled environment to prevent warping or damage to the wood.

7. TROUBLESHOOTING

If you encounter any issues with your Child Craft Redmond crib, please refer to the following general troubleshooting tips:

- **Wobbling or Instability:** Check all bolts and screws to ensure they are properly tightened. Ensure the crib is on a flat, level surface.
- **Difficulty with Conversion:** Re-read the specific conversion instructions for the desired configuration. Ensure all necessary conversion kits (sold separately) are present and correctly installed.
- **Damaged Parts:** Do not attempt to repair damaged parts. Contact Child Craft customer support for genuine replacement parts.
