

Goobay 49297

Goobay 49297 USB-C Cable Instruction Manual

Model: 49297

1. INTRODUCTION

Thank you for choosing the Goobay 49297 USB-C Cable. This premium textile cable with metal connectors is designed for robust and reliable charging and data transfer. It is ideal for connecting various USB-C compatible devices to USB-A ports, ensuring durability and high performance.

2. SETUP AND CONNECTION

The Goobay 49297 USB-C cable is designed for simple plug-and-play functionality. No special drivers or software are required for basic operation.

2.1 Connecting Your Device

1. Identify the USB-C port on your device (e.g., smartphone, tablet, game controller, power bank).
2. Identify a compatible USB-A port on your charging adapter, computer, or other host device.
3. Insert the USB-C connector into your device's USB-C port.
4. Insert the USB-A connector into the USB-A port of the charging adapter or host device.

Ensure both connectors are fully inserted for a secure connection. The cable's slim connector with aluminum housing is designed to fit devices even with protective cases.

Kompatibilität

geeignet für:

Handys & Tablets

PS5 Controller

Bluetooth-Boxen

Powerbanks

3. OPERATING INSTRUCTIONS

3.1 Charging

Once connected to a power source, the cable will facilitate charging of your USB-C device. This cable supports fast charging up to 60W (20V/3A), provided your device and power adapter also support these specifications.

3.2 Data Transfer

When connected to a computer or other data-enabled host, the cable allows for data synchronization and transfer. It supports high-speed data transfer rates up to 480 Mbit/s (USB 2.0 standard).

Flexibel einsetzbar

ideal für Büro, Auto & zu Hause

4. MAINTENANCE AND CARE

The Goobay 49297 USB-C Cable is designed for exceptional durability. To ensure its longevity, follow these simple care guidelines:

- **Avoid Extreme Bending:** While the cable features optimized kink protection and is designed for over 10,000 bending cycles, excessive or sharp bending should still be avoided to prevent internal damage.
- **Clean Connectors:** Periodically inspect and gently clean the metal connectors with a dry, soft cloth to ensure optimal conductivity.
- **Proper Storage:** When not in use, coil the cable loosely. Avoid tightly wrapping or knotting the cable.
- **Handle with Care:** Always pull from the connector housing, not the cable itself, when unplugging.

Mit Knickschutz sicher gegen Kabelbruch

Image 4.1: The cable features reinforced metal connectors and a braided textile jacket for enhanced durability and kink protection.

5. TROUBLESHOOTING

If you encounter issues with your Goobay 49297 USB-C Cable, consider the following common solutions:

- **Device Not Charging:**
 - Ensure both ends of the cable are securely connected.
 - Verify that the power adapter or USB port you are using is functional and provides sufficient power.
 - Test the cable with a different device or power source to isolate the issue.
- **Slow Charging:**
 - Confirm that your device and power adapter support fast charging protocols (e.g., USB Power Delivery).
 - Some devices may limit charging speed based on battery level or temperature.
- **Data Transfer Issues:**
 - Ensure your device is set to 'File Transfer' mode (MTP) or 'USB Debugging' if required, rather than 'Charging Only'.
 - Try connecting to a different USB port on your computer.
- **Physical Damage:**
 - Inspect the cable and connectors for any visible signs of damage, such as frayed wires or bent pins. If damaged, discontinue use.

6. SPECIFICATIONS

Technical Specifications of Goobay 49297 USB-C Cable

Feature	Description
Model Number	49297
Cable Type	USB-C to USB-A (USB 2.0)
Length	2 meters (6.56 feet)
Color	Space Grey (Sleeved)
Max Power Delivery	Up to 60W (20V/3A)
Data Transfer Rate	Up to 480 Mbit/s
Connector Material	Metal (Aluminum housing)
Cable Material	Premium Textile Braided
Special Features	Optimized kink protection, designed for 10,000+ bending cycles
Product Dimensions	5.91 x 3.54 x 0.51 inches (packaged)

Feature	Description
Item Weight	0.81 ounces
