EP EXERCISE N PLAY Friends House Hair Salon Building Blocks Set

EP EXERCISE N PLAY 1655 Pieces Friends House Building Blocks Set Instruction Manual

Model: Friends House Hair Salon Building Blocks Set

Brand: EP EXERCISE N PLAY

1. Introduction

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your EP EXERCISE N PLAY 1655 Pieces Friends House Building Blocks Set. This creative toy building kit allows children aged 6-14 to construct a detailed Friends House and Hair Salon, fostering learning and roleplay through STEM construction. Please read this manual thoroughly before beginning assembly to ensure a smooth and enjoyable building experience.

2. Safety Information

- **Choking Hazard:** This set contains small parts and is not suitable for children under 3 years of age.
- **Age Recommendation:** Recommended for ages 6-14 years. Adult supervision is advised during assembly and play.
- **Material Safety:** All components are made from non-toxic plastic.
- **Proper Use:** Ensure all pieces are securely connected during assembly to prevent accidental detachment and potential hazards.

3. Package Contents

Verify that all components listed below are present in your package:

- Family House Building Blocks
- Hair Salon Building Blocks
- Instruction Manual
- Storage Bucket

- Approximately 1655 building block pieces

4. Setup Instructions (Assembly)

Follow the step-by-step instructions provided in the included printed manual for assembling the Friends House and Hair Salon. The assembly process is designed to be intuitive, but careful attention to detail will ensure a stable and complete model.

1. **Unpack Components:** Carefully open the storage box and sort the building blocks. It is recommended to sort pieces by color and type to facilitate assembly.
2. **Consult Manual:** Refer to the dedicated instruction manual included in the package. Each step is illustrated to guide you through the construction of the Family House and Hair Salon.
3. **Start with Base:** Begin by assembling the base structures as shown in the manual. The lid of the storage box can be used as a block baseplate for building.

4. **Connect Pieces Securely:** Ensure each block is firmly pressed into place to create a stable structure.
5. **Detailed Sections:** Pay close attention to the details for each room (bedroom, bathroom, dining room, living room) and the hair salon features (checkout counter, hairdressing equipment, customer area).
6. **Final Touches:** Add decorative elements and accessories as per the instructions.

5. Operating Instructions (Play)

Once assembled, the Friends House and Hair Salon set offers various play opportunities:

- **Roleplay Scenarios:** Use the assembled house and salon to create imaginative stories and roleplay different activities, such as hosting parties, visiting the hair salon for new hairstyles, or daily life scenarios.
- **Creative Building:** The set is compatible with most major brand building bricks, allowing for expansion and customization. Children can modify the existing structures or build entirely new creations.

- **Educational Play:** Engage in STEM learning by understanding structural integrity, spatial reasoning, and problem-solving during play.

6. Maintenance

To ensure the longevity and cleanliness of your building block set:

- **Cleaning:** Wipe blocks with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store all pieces in the provided storage box when not in use to prevent loss and keep them dust-free.
- **Avoid Extreme Temperatures:** Do not expose the blocks to direct sunlight for extended periods or extreme temperatures, as this may cause warping or discoloration.

7. Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Carefully check all packaging materials and the storage box. If pieces are genuinely missing, contact customer support (see Section 9).
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly before applying pressure. Some new blocks may require slightly more force to connect initially. Avoid excessive force to prevent damage.
- **Instructions Unclear:** Review the instruction manual again, paying close attention to the visual diagrams. If a step remains unclear, refer to online resources or contact customer support.
- **Structure Instability:** Double-check all connections. Loose connections can lead to an unstable model. Re-assemble any sections that appear weak.
