COGO 4163 Police Helicopter and Car Building Blocks Instruction Manual

Model: 4163 | Pieces: 229

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the COGO 4163 Police Helicopter and Car Building Blocks set. This comprehensive kit provides 229 high-quality plastic pieces, enabling you to construct detailed models of a police helicopter and a police car. Designed for children aged 6 years and above, this set promotes creativity, problem-solving skills, and fine motor development through engaging construction play.

2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and play.

- **Choking Hazard:** This toy contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for all users, especially younger children.
- **Material Safety:** The building blocks are made from non-toxic plastic materials. However, do not ingest any parts.
- **Proper Use:** Ensure the toy is used on a stable surface. Avoid throwing or forcefully disassembling the models, as this may cause damage or injury.
- **Storage:** Store all pieces in a safe place away from pets and very young children to prevent accidental ingestion.

3. PARTS LIST

This set includes 229 individual building block pieces. While a detailed list of every specific piece is not provided here, the set contains all necessary components to build one police helicopter and one police car, along with minifigures and accessories as depicted on the packaging.

Before beginning assembly, carefully open the packaging and verify that all bags of pieces are present. It is advisable to sort the pieces by color or type to facilitate the building process.

4. SETUP AND ASSEMBLY

Assembly of the COGO 4163 building blocks is a step-by-step process that encourages logical thinking and patience. Follow the included graphical instruction booklet for detailed assembly steps.

1. **Unpack:** Carefully remove all contents from the box.
2. **Sort Pieces:** Organize the building blocks by color, size, or type to make them easier to find during assembly.
3. **Follow Instructions:** Refer to the dedicated instruction manual provided within the box. Each model (helicopter and car) will have its own sequence of steps.
4. **Connect Firmly:** Ensure each block is pressed firmly into place to create a stable and durable model.
5. **Verify:** After completing each section, compare your progress with the illustrations in the manual to ensure accuracy.

If you encounter difficulty, re-examine the previous steps and ensure all pieces are correctly oriented and connected.

5. OPERATING INSTRUCTIONS (PLAY)

Once assembled, the COGO 4163 Police Helicopter and Car models are ready for imaginative play. These models are designed for creative scenarios and role-playing.

- **Helicopter:** The helicopter features rotating blades and can be used for aerial pursuit scenarios.
- **Police Car:** The police car is designed for ground-based chases and can accommodate minifigures.
- **Minifigures:** Use the included minifigures to populate the vehicles and create dynamic play scenes.
- **Interactivity:** The models are compatible with other COGO building block sets, allowing for expanded play possibilities.

Encourage open-ended play to maximize the educational benefits of the set, fostering imagination and storytelling.

6. MAINTENANCE

Proper care will ensure the longevity of your COGO building blocks.

- **Cleaning:** To clean the blocks, wipe them with a damp cloth. For deeper cleaning, use mild soap and water, then rinse thoroughly and air dry completely before storing. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a cool, dry place away from direct sunlight and extreme temperatures. Keep them in their original box or a dedicated storage container to prevent loss of pieces.
- **Avoid Heat:** Do not expose the blocks to high heat, as this can cause warping or melting of the plastic.

7. TROUBLESHOOTING

If you encounter any issues with your COGO 4163 set, consider the following common solutions:

- **Missing Pieces:** Double-check the packaging and all bags. Sometimes small pieces can be overlooked. If a piece is genuinely missing, contact COGO customer support (see Section 9).
- **Difficulty Assembling:** Ensure you are following the instruction manual precisely. Sometimes a piece may be oriented incorrectly or a step might have been skipped. Disassemble the problematic section and re-attempt.
- **Loose Connections:** Ensure pieces are pressed firmly together until they click into place. If a connection remains loose, check if the correct pieces are being used as per the instructions.
- **Damaged Pieces:** If any pieces are damaged upon arrival, do not attempt to force them. Contact customer support for replacement parts.
