FTRONGRT Xiaomi Poco F3 Pro

FTRONGRT Shockproof Case for Xiaomi Poco F3 Pro User Manual

Model: Xiaomi Poco F3 Pro

1. INTRODUCTION

Thank you for choosing the FTRONGRT Shockproof Case for Xiaomi Poco F3 Pro. This case is designed to provide robust protection for your device against daily wear and tear, drops, and impacts. It features a unique dual-layer design and an integrated kickstand for enhanced functionality.

2. PACKAGE CONTENTS

- 1 x FTRONGRT Shockproof Case for Xiaomi Poco F3 Pro

3. KEY FEATURES

3.1 Dual-Layer Protection

The case features a robust dual-layer design, combining a soft TPU (Thermoplastic Polyurethane) inner layer with a hard PC (Polycarbonate) outer shell. This construction provides comprehensive protection against dust, scratches, and impacts, ensuring your phone remains safe from various damages.

3.2 Magnetic Car Mount Compatibility

Equipped with a built-in metal plate, this case can be easily attached to magnetic car mounts (not included). This feature allows for convenient and secure placement of your phone while driving, enabling easy navigation and hands-free use.

AMETAL PLATE CAN ATTACH TO MAGNETIC CAR MOUNT

3.3 Military-Grade Drop Protection

The case is engineered to provide military-grade drop protection, safeguarding your device from accidental drops and impacts. Its robust construction absorbs shock effectively, minimizing potential damage to your Xiaomi Poco F3 Pro.

3.4 Integrated Rotating Ring Kickstand

An adjustable integrated ring on the back of the case serves as a versatile kickstand. It can rotate 360 degrees and adjust to 100 degrees, allowing you to prop up your phone in various viewing angles for hands-free video watching, video calls, or browsing.

4. SETUP

4.1 Installing the Case

1. Ensure your Xiaomi Poco F3 Pro is clean and free of dust or debris.
2. Align the phone with the case, starting with the top or bottom edge.
3. Gently press the phone into the case, ensuring all corners and edges are securely fitted. The flexible TPU inner layer will help in a snug fit.
4. Verify that all ports, buttons, and camera cutouts are perfectly aligned and accessible.

4.2 Removing the Case

1. Start by gently peeling back one of the corners of the case.
2. Work your way around the edges, carefully separating the phone from the case.
3. Avoid excessive force to prevent damage to your phone or the case.

5. OPERATING INSTRUCTIONS

5.1 Using the Kickstand

- To deploy the kickstand, gently pull the metal ring outwards from the back of the case.
- Adjust the angle by rotating the ring (up to 360 degrees) and tilting it (up to 100 degrees) to achieve your desired viewing position.
- To retract, simply push the ring back into its recessed position until it clicks securely.

5.2 Using with Magnetic Car Mounts

- Ensure your magnetic car mount is properly installed in your vehicle.
- Simply place the back of the FTRONGRT case onto the magnetic surface of the car mount. The integrated metal plate will securely hold your phone in place.

6. MAINTENANCE

- **Cleaning:** To clean the case, wipe it gently with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the material or finish.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect the case for any signs of wear or damage. If the case is significantly damaged, it may compromise its protective capabilities and should be replaced.

7. TROUBLESHOOTING

For a phone case, troubleshooting is generally minimal. However, if you encounter any issues:

- **Case not fitting properly:** Ensure you have the correct model of phone (Xiaomi Poco F3 Pro). Re-align and gently press the phone into the case, ensuring all edges snap into place.
- **Kickstand feels loose:** Check if the kickstand mechanism is clean and free of debris. If it remains loose after cleaning, contact customer support.
- **Magnetic attachment issues:** Ensure your car mount is strong enough and properly positioned. The metal plate in the case is designed for standard magnetic mounts.

8. SPECIFICATIONS

Brand	FTRONGRT
